Item 1.01. Entry into a Material Definitive Agreement

The information included pursuant to Item 2.03 is incorporated by reference into this Item 1.01.

Item 1.02. Termination of a Material Definitive Agreement

As of August 3, 2016, in connection with the entry by Southwest Airlines Co. (the “Company” or “we”) into the new revolving credit agreement described in Item 2.03 hereof, the Company terminated the revolving credit facility dated as of April 2, 2013, with a syndicate of banks including Citibank, N.A. and JPMorgan Chase Bank, N.A., as co-administrative agents. The prior credit facility would have expired April 2, 2018.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On August 3, 2016, we entered into a new \$1 billion five-year revolving credit facility agreement (the “Revolving Credit Agreement”) with a syndicate of lenders identified in the Revolving Credit Agreement. JPMorgan Chase Bank, N.A. and Citibank, N.A. act as co-administrative agents and JPMorgan Chase Bank, N.A. acts as paying agent under the Revolving Credit Agreement. The Revolving Credit Agreement has an accordion feature that would allow the Company, subject to, among other things, the procurement of incremental commitments, to increase the size of the facility to \$1.5 billion.

As of the date hereof, there are no amounts outstanding under the Revolving Credit Agreement. Generally, amounts outstanding under the Revolving Credit Agreement bear interest at interest rates based on either the LIBOR rate (selected by the Company for designated interest periods) or the “alternate base rate” (being the highest of (1) the prime rate, (2) one-month LIBOR plus 1% or (3) the New York Fed Bank Rate, plus 0.5%). The underlying LIBOR rate and “alternate base rate” are each subject to a floor of 0% per annum. The commitments under the Revolving Credit Agreement may also be used by the Company for the issuance by certain of the lenders party thereto of letters of credit for our account. We are required to pay certain fees in connection with the Revolving Credit Agreement. For example, we must pay commitment fees on a quarterly basis in respect of the unutilized portion of the commitments under the Revolving Credit Agreement. Additionally, we are required to pay certain fees to the paying agent for administrative services.

The Revolving Credit Agreement contains customary representations and warranties, covenants and events of default. The Revolving Credit Agreement also requires the Company to maintain a specified ratio of (x) adjusted net income (before interest, taxes, depreciation, amortization and aircraft rental expense) less cash dividends to (y) interest and aircraft rental expense, and to maintain an unencumbered pool of aircraft with a defined value during the term of the Revolving Credit Agreement. Amounts outstanding under the Revolving Credit Agreement may be accelerated upon the occurrence of an event of default.

While the Revolving Credit Agreement is for a term of five years, we have the right, subject to, among other things, the agreement of the facility’s banks to do so, to request up to two times a one-year extension of the facility.

The Revolving Credit Agreement has been filed herewith to provide investors with the agreed upon terms of the transactions described in this Form 8-K. The Revolving Credit Agreement is not intended to be a source of factual, business or operational information about our company or our subsidiaries. The representations, warranties and covenants contained in the Revolving Credit Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the parties, including being qualified by disclosures for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Accordingly, investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties.

The description of the Revolving Credit Agreement in this Item 2.03 is qualified in its entirety by reference to the full text of the Revolving Credit Agreement, a copy of which is attached to this report as Exhibit 10.1. Capitalized terms used but not defined herein have the meanings ascribed to them in the Revolving Credit Agreement.

(the “Company”), the Banks (as herein defined), JPMORGAN CHASE BANK, N.A., as Paying Agent (as herein defined), JPMORGAN CHASE BANK, N.A. and CITIBANK, N.A., as co-administrative agents for the Banks (in such capacity, the “Co-Administrative Agents”), BARCLAYS BANK PLC, as syndication agent for the Banks (in such capacity, the “Syndication Agent”) and BANK OF AMERICA, N.A., BNP PARIBAS, GOLDMAN SACHS BANK USA, MORGAN STANLEY SENIOR FUNDING, INC., U.S. BANK NATIONAL ASSOCIATION and WELLS FARGO BANK, N.A., as documentation agents for the Banks (collectively, in such capacity, the “Documentation Agents”).

The Company has requested the Banks to extend credit to the Company in order to enable it to borrow on a revolving credit basis and to obtain letters of credit on and after the Effective Date and at any time and from time to time prior to the Termination Date (each as herein defined) in an aggregate principal amount not in excess of the Commitments outstanding at such time. The Banks are willing to extend such credit to the Company on the terms and conditions herein set forth. Accordingly, the Company, the Agents (as herein defined), and the Banks agree as follows:

ARTICLE I

DEFINITIONS AND ACCOUNTING TERMS

Section 1.1 Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

“Additional Commitment Bank” is defined in Section 2.25(c).

“Adjusted Pre-Tax Income” of any Person means, with respect to any period, income before income taxes of such Person for such period, but excluding (i) any gain or loss arising from the sale of capital assets other than capital assets consisting of Aircraft, (ii) any gain or loss arising from any write-up or write-down of assets, (iii) income or loss of any other Person, substantially all of the assets of which have been acquired by such Person in any manner, to the extent that such income or loss was realized by such other Person prior to the date of such acquisition, (iv) income or loss of any other Person (other than a Subsidiary) in which such Person has an ownership interest, (v) the income or loss of any other Person to which assets of such Person shall have been sold, transferred, or disposed of, or into which such Person shall have merged, to the extent that such income or loss arises prior to the date of such transaction, (vi) any gain or loss arising from the acquisition of any securities of such Person, (vii) gains or losses reported as extraordinary in accordance with GAAP not previously excluded in clauses (i) through (vi), and (viii) the cumulative effect of changes in accounting methods permitted by GAAP during such period. Notwithstanding the foregoing, the determination of income before income taxes for any period shall be adjusted by any pre-tax non-GAAP financial measures for such period as identified in “Reconciliation of Reported Amounts to Non-GAAP Financial Measures” contained in the Management’s Discussion and Analysis of Financial Condition and Results of Operations in the Company’s filings in respect of such period on Form 10-Q or Form 10-K with the Securities and Exchange Commission.

“Administrative Questionnaire” means an Administrative Questionnaire in a form satisfactory to the Paying Agent, which each Bank shall complete and provide to the Paying Agent.

“Aircraft Rentals” means the operating expense attributable to aircraft rentals, calculated in accordance with the line item described as such in the Current Financials.

“Alternate Base Loan” means any Committed Loan with respect to which the Company shall have selected an interest rate based on the Alternate Base Rate in accordance with the provisions of Article II.

For purposes hereof: “Prime Rate” shall mean the rate of interest per annum publicly announced from time to time by JPMorgan Chase Bank, N.A. as its prime rate in effect at its principal office in New York City (the Prime Rate not being intended to be the lowest rate of interest charged by JPMorgan Chase Bank, N.A. in connection with extensions of credit to debtors). Any change in the Alternate Base Rate due to a change in the Prime Rate, the LIBO Rate or the New York Fed Bank Rate shall be effective as of the opening of business on the effective day of such change in the Prime Rate, the LIBO Rate or the New York Fed Bank Rate, respectively.

If the rating system of Moody's or S&P shall change, the Company and the Banks shall negotiate in good faith to amend this definition to reflect such changed rating system and, pending the effectiveness of any such amendment, the Applicable Rate shall be determined by reference to the rating most recently in effect prior to such change.

Any Loan or part thereof so refinanced shall be deemed to be repaid in accordance with Section 2.17 with the proceeds of a new Borrowing hereunder and the proceeds of the new Loan, to the extent they do not exceed the principal amount of the Loan being refinanced, shall not be paid by the Banks to the Paying Agent or by the Paying Agent to the Company pursuant to Section 2.6(c); provided, however, that (i) if the principal amount extended by a Bank in a refinancing is greater than the principal amount extended by such Bank in the Borrowing being refinanced, then such Bank shall pay such difference to the Paying Agent for distribution to the Banks described in (ii) below, (ii) if the principal amount extended by a Bank in the Borrowing being refinanced is greater than the principal amount being extended by such Bank in the refinancing, the Paying Agent shall return the difference to such Bank out of amounts received pursuant to (i) above, (iii) to the extent any Bank fails to pay the Paying Agent amounts due from it pursuant to (i) above, any Loan or portion thereof being refinanced shall not be deemed repaid in accordance with Section 2.17 to the extent of such failure and the Company shall pay such amount to the Paying Agent pursuant to Section 2.17 and (iv) to the extent the Company fails to pay to the Paying Agent any amounts due in accordance with Section 2.17 as a result of the failure of a Bank to pay the Paying Agent any amounts due as described in (iii) above, the portion of any refinanced Loan deemed not repaid shall be deemed to be outstanding solely to the Bank which has failed to pay the Paying Agent amounts due from it pursuant to (i) above to the full extent of such Bank’s portion of such refinanced Loan.

(b) Subject to the conditions and limitations set forth in this Agreement, the Company shall have the right from time to time to convert all or part of one Type of Committed Loan into another Type of Committed Loan or to continue all or a part of any Committed Loan that is a Eurodollar Loan from one Interest Period to another Interest Period by giving the Paying Agent written notice (by means of a Notice of Committed Borrowing) (i) in the case of Eurodollar Loans, not later than 11:00 a.m., New York City time, three Business Days before the date specified for such proposed conversion or continuation, and (ii) in the case of Alternate Base Loans, not later than 11:00 a.m., New York City time, on the Business Day which is the date specified for such proposed conversion or continuation. Such notice shall specify (A) the proposed date for conversion or continuation, (B) the amount of the Committed Loan to be converted or continued, (C) in the case of conversions, the Type of Committed Loan to be converted into, and (D) in the case of a continuation of or conversion into a Eurodollar Loan, the duration of the Interest Period applicable thereto; provided that (1) Eurodollar Loans may be converted only on the last day of the applicable Interest Period, (2) except for conversions to Alternate Base Loans, no conversion shall be made while a Default or Event of Default has occurred and is continuing and no continuations of any Eurodollar Loan from one Interest Period to another Interest Period shall be made while a Default or Event of Default has occurred and is continuing, unless such conversion or continuation has been approved by Majority Banks, and (3) each such conversion or continuation shall be in an amount not less than \$10,000,000 and shall be an integral multiple of \$1,000,000. All notices given under this Section shall be irrevocable. If the Company shall fail to give the Paying Agent the notice as specified above for continuation or conversion of a Eurodollar Loan prior to the end of the Interest Period with respect thereto, such Eurodollar Loan shall automatically be converted into an Alternate Base Loan on the last day of the Interest Period for such Eurodollar Loan.

Section 2.4 Fees. The Company agrees to pay to each Bank, through the Paying Agent, on each Quarterly Payment Date and on the Termination Date in arrears, in immediately available funds, a commitment fee (a "Commitment Fee") calculated by multiplying the Applicable Rate by the amount of the average daily Available Revolving Commitment of such Bank during the preceding three-month period (or shorter period commencing with the Effective Date and/or ending with the Termination Date). All Commitment Fees shall be computed by the Paying Agent on the basis of the actual number of days elapsed in a year of 360 days, and shall be conclusive and binding for all purposes, absent manifest error. The Commitment Fee due to each Bank shall commence to accrue on the Effective Date and shall cease to accrue on the Termination Date or, if earlier, the date of the termination of the Commitment of such Bank as provided herein.

Section 2.5 Termination and Reduction of Commitments

(a) Subject to Section 2.11(b), the Company may permanently terminate, or from time to time in part permanently reduce, the Total Commitment, in each case upon at least three Business Days' prior (or, in the case of a refinancing or new facility with one or more of the Agents, on a same-day basis with) written notice to the Paying Agent (who shall promptly forward a copy thereof to each Bank). Such notice shall specify the date and the amount of the termination or reduction of the Total Commitment. Each such partial reduction of the Total Commitment shall be in a minimum aggregate principal amount of \$10,000,000 and in an integral multiple of \$1,000,000.

(b) On the Termination Date the Total Commitment shall be zero.

(c) Each reduction in the Total Commitment pursuant to this Section 2.5 shall be made ratably among the Banks in accordance with their respective Commitments. Simultaneously with any termination of Commitments pursuant to this Section, the Company shall pay to the Paying Agent for account of the Banks the Commitment Fees on the amount of the Total Commitment so terminated, accrued through the date of such termination.

Section 2.6 Loans

(a) Each Borrowing made by the Company on any date shall be in an integral multiple of \$1,000,000 and in a minimum aggregate principal amount of \$10,000,000. Committed Loans shall be made by the Banks ratably in accordance with their respective Commitments on the Borrowing Date of the Committed Borrowing; provided, however, that the failure of any Bank to make any Loan shall not in itself relieve any other Bank of its obligation to lend hereunder.

(b) Each Committed Loan shall be a Eurodollar Loan or an Alternate Base Loan, as the Company may request subject to and in accordance with Section 2.2 or Section 2.3(b), as applicable. Each Bank may at its option make any Eurodollar Loan by causing a foreign branch or Affiliate of such Bank to make such Loan; provided, however, that any exercise of such option shall not affect the obligation of the Company to repay such Loan in accordance with the terms of this Agreement or increase the Company's obligations to such Bank hereunder. Loans of more than one interest rate option may be outstanding at the same time; provided, however, that the Company shall not be entitled to request any Loan which, if made, would result in an aggregate of more than ten separate Interest Periods being outstanding hereunder at any one time. For purposes of the foregoing, Loans having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Loans.

(c) Subject to Section 2.3, each Bank shall make its portion of each Committed Borrowing on the proposed Borrowing Date thereof by paying the amount required to the Paying Agent at the Principal Office in immediately available funds not later than 1:00 p.m., New York City time, and the Paying Agent shall by 2:00 p.m., New York City time, credit the amounts so received to the general deposit account of the Company with the Paying Agent or, if Loans are not made on such date because any condition precedent to a Borrowing herein specified shall not have been met, return the amounts so received to the respective Banks as soon as practicable; provided, however, if and to the extent the Paying Agent fails to return any such amounts to a Bank on the Borrowing Date for such Borrowing, the Paying Agent shall pay interest on such unreturned amounts, for each day from such Borrowing Date to the date such amounts are returned to such Bank, at the Federal Funds Effective Rate.

(d) The outstanding principal amount of each Committed Loan shall be due and payable on the Termination Date.

Section 2.7 Loan Accounts

(a) The Loans made by each Bank shall be evidenced by one or more loan accounts or records maintained by such Bank in the ordinary course of business. Absent manifest error, the loan accounts or records maintained by the Paying Agent and each Bank shall be prima facie evidence of the amount of the Loans made by the Banks to the Company and the interest and payments thereon. Any failure so to record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Company hereunder to pay any amount owing with respect to the Loans.

(b) Upon the request of any Bank made through the Paying Agent, the Loans made by such Bank may be evidenced by one or more Notes, instead of or in addition to loan accounts, and upon any such request the Company shall execute and deliver such Notes to such Bank. Each such Bank shall, and is hereby authorized by the Company to, endorse on the schedule attached to the relevant Note held by such Bank (or on a continuation of such schedule attached to each such Note and made a part thereof) or in its records relating to such Note an appropriate notation evidencing the date and amount of each Committed Loan of such Bank, each payment or prepayment of principal of any Committed Loan, and the other information provided for on such schedule. The failure of any Bank to make such a notation or any error therein shall not in any manner affect the obligation of the Company to repay the Committed Loans made by such Bank in accordance with the terms of the relevant Note.

Section 2.8 Interest on Loans

(a) Subject to the provisions of Section 2.9, each Eurodollar Loan shall bear interest at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days) equal to the LIBO Rate for the Interest Period in effect for such Loan plus the Applicable Rate. Interest on each Eurodollar Loan shall be payable on each Interest Payment Date applicable thereto. The applicable LIBO Rate for each Interest Period shall be determined by the Paying Agent, and such determination shall be conclusive absent manifest error.

(b) Subject to the provisions of Section 2.9, each Alternate Base Loan shall bear interest at the rate per annum equal to the Alternate Base Rate plus the Applicable Rate (if the Alternate Base Rate is based on the Prime Rate, computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be; if the Alternate Base Rate is based on the LIBO Rate or the Federal Funds Effective Rate, computed on the basis of the actual number of days elapsed over a year of 360 days). Interest on each Alternate Base Loan shall be payable on each Interest Payment Date applicable thereto. The applicable Alternate Base Rate shall be determined by the Paying Agent, and such determination shall be conclusive absent manifest error.

(c) The Company shall pay to the Paying Agent for the account of each Bank that has made a Eurodollar Loan to the Company, so long as such Bank shall be required under regulations of the Board to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, additional interest on the unpaid principal amount of each such Eurodollar Loan of such Bank, from the date of such Loan until such principal amount is paid in full, at an interest rate per annum for such number of days during the Interest Period for such Loan as shall be pertinent equal to the remainder obtained by subtracting (i) the LIBO Rate for such Interest Period from (ii) the rate obtained by dividing such LIBO Rate referred to in clause (i) above by that percentage equal to 100% minus the Reserve Percentage of such Bank for such Interest Period, payable on the next Interest Payment Date applicable to such Loan. Such additional interest shall be determined by such Bank as, if and to the extent incurred, and shall be payable as aforesaid upon notification thereof by such Bank to the Company through the Paying Agent. Each determination by a Bank of additional interest under this Section 2.8(c) shall be conclusive and binding for all purposes in the absence of manifest error.

Section 2.9 Interest on Overdue Amounts. If the Company shall default in the payment of the principal of or interest on any Loan or any other amount becoming due hereunder, the Company shall on demand from time to time pay interest, to the extent permitted by Law, on such defaulted amount up to (but not including) the date of actual payment (after as well as before judgment) at a rate per annum equal to (i) in the case of the principal amount of any Eurodollar Loan, 2% above the rate otherwise applicable thereto and (ii) in all other cases, the Agreed Maximum Rate (if the Alternate Base Rate is based on the Prime Rate, computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be; if the Alternate Base Rate is based on the LIBO Rate or the Federal Funds Effective Rate, computed on the basis of the actual number of days elapsed over a year of 360 days).

Section 2.10 Alternate Rate of Interest. In the event, and on each occasion, on the day two Business Days prior to the commencement of any Interest Period for a Eurodollar Loan that is a Committed Loan, the Paying Agent shall have determined that dollar deposits in the amount of the requested principal amount of such Eurodollar Loan are not generally available in the Eurodollar Interbank Market, or that dollar deposits are not generally available in the Eurodollar Interbank Market

for the requested Interest Period, or that the rate at which such dollar deposits are being offered will not adequately and fairly reflect the cost to the Majority Banks of making or maintaining such Eurodollar Loan during such Interest Period, or that reasonable means do not exist for ascertaining the LIBO Rate, the Paying Agent shall, as soon as practicable thereafter, give telecopy notice of such determination to the Company and the Banks. In the event of any such determination, any request by the Company for a Eurodollar Loan that is a Committed Loan shall, until the circumstances giving rise to such notice no longer exist, be deemed to be a request for an Alternate Base Loan. Each determination by the Paying Agent hereunder shall be conclusive absent manifest error.

Section 2.11 Prepayment of Loans

(a) Prior to the Termination Date, the Company shall have the right at any time to prepay any Committed Borrowing, in whole or in part, subject to the requirements of Section 2.14 or Section 2.15 but otherwise without premium or penalty, upon at least five Business Days prior written notice to the Paying Agent; provided, however, that each such partial prepayment shall be in an integral multiple of \$1,000,000 and in a minimum aggregate principal amount of \$5,000,000. Each notice of prepayment shall specify the prepayment date and the aggregate principal amount of each Borrowing to be prepaid, shall be irrevocable and shall commit the Company to prepay such Borrowing by the amount stated therein.

(b) On the date of any termination or reduction of the Total Commitment pursuant to Section 2.5(a), the Company shall pay or prepay so much of the Loans as shall be necessary in order that the sum of (x) the aggregate principal amount of the Loans outstanding and (y) the L/C Obligations will not exceed the Total Commitment following such termination or reduction. Subject to the foregoing, any such payment or prepayment shall be applied to such Borrowing or Borrowings as the Company shall select. All prepayments under this paragraph shall be subject to Section 2.14 and Section 2.15.

(c) All prepayments under this Section 2.11 shall be accompanied by accrued interest on the principal amount being prepaid to the date of prepayment.

Section 2.12 Reserve Requirements; Change in Circumstances

(a) Notwithstanding any other provision herein, if after the date of this Agreement any Regulatory Change or change in any Law (i) shall subject the Paying Agent, a Bank or an Issuing Bank to any Taxes (other than (w) Indemnified Taxes, (x) Taxes described in clauses (a), (b), (c) and (e) of Excluded Taxes, (y) Other Taxes and (z) Other Connection Taxes on gross or net income, profits or revenue (including value-added or similar Taxes)) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, (ii) shall impose, modify, or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement with respect to any Eurodollar Loan against assets of, deposits with or for the account of, or credit extended by, such Bank under this Agreement (without duplication of any amounts paid pursuant to Section 2.8(c)), or (iii) with respect to any Eurodollar Loan, shall impose on such Bank or the Eurodollar Interbank Market any other condition, cost or expense affecting this Agreement or any Eurodollar Loan made by such Bank, and the result of any of the foregoing shall be to materially increase the actual cost to such Bank (or such Paying Agent or Issuing Bank in the case of (i)) of maintaining its Commitment or of making, converting to, continuing or maintaining any Eurodollar Loan or to materially reduce the amount of any sum received or receivable by such Bank (or such Paying Agent or Issuing Bank in the case of (i)) hereunder (whether of principal, interest, or otherwise) in respect thereof, then the Company shall pay to the Paying Agent for the account of such Bank (or such Paying Agent or Issuing Bank in the case of (i)), within ten days following delivery to the Company of the certificate specified in paragraph (c) below by such Bank (or such Paying Agent or Issuing Bank in the

case of (i)), such additional amount or amounts as will reimburse such Bank (or such Paying Agent or Issuing Bank in the case of (i)) for such increase or reduction to such Bank (or such Paying Agent or Issuing Bank in the case of (i)) to the extent reasonably allocable to this Agreement.

(b) If any Bank shall have determined in good faith that any Regulatory Change regarding capital or liquidity requirements or compliance by any Bank (or its parent or any lending office of such Bank) with any request or directive issued subsequent to the Effective Date regarding capital or liquidity requirements (whether or not having the force of Law) of any Tribunal, monetary authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on such Bank's (or its parent's) capital as a consequence of its obligations hereunder to a level below that which such Bank (or its parent) could have achieved but for such Regulatory Change, or compliance (taking into consideration such Bank's policies with respect to capital adequacy or liquidity) by an amount deemed by such Bank to be material, then from time to time, the Company shall pay to the Paying Agent for the account of such Bank, within ten days following delivery to the Company of the certificate specified in paragraph (d) below by such Bank, such additional amount or amounts as will reimburse such Bank (or its parent) for such reduction.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a Regulatory Change and a change in Law, regardless of the date enacted, adopted or issued.

(d) Each Bank or the Paying Agent or each Issuing Bank shall notify the Company of any event occurring after the date hereof entitling such Bank to compensation under paragraph (a) or (b) of this Section 2.12 (together with a good faith estimate of the amounts it would be entitled to claim in respect of such event) as promptly as practicable, but in any event on or before the date which is 60 days after the related Regulatory Change, change in any Law or other event; provided that (i) if such Bank or the Paying Agent or such Issuing Bank fails to give such notice by such date, such Bank or the Paying Agent or such Issuing Bank shall, with respect to compensation payable pursuant to paragraph (a) or (b) of this Section 2.12 in respect of any costs resulting from such Regulatory Change, change in any Law or other event, only be entitled to payment under paragraph (a) or (b) of this Section 2.12 for costs incurred from and after the date of such notice and (ii) such Bank or the Paying Agent or such Issuing Bank will take such reasonable actions, if any (including the designation of a different Applicable Lending Office for the Loans of such Bank affected by such event) to avoid the need for, or reduce the amount of, such compensation so long as such actions will not, in the reasonable opinion of such Bank or the Paying Agent or such Issuing Bank, be materially disadvantageous to such Bank or the Paying Agent or such Issuing Bank, as the case may be. A certificate of a Bank or the Paying Agent or such Issuing Bank setting forth in reasonable detail (i) the Regulatory Change, change in any Law or other event giving rise to any costs, (ii) such amount or amounts as shall be necessary to reimburse such Bank or the Paying Agent or such Issuing Bank (or participating banks or other entities pursuant to Section 9.11) as specified in paragraph (a) or (b) of this Section 2.12, as the case may be, and (iii) the calculation of such amount or amounts, shall be delivered to the Company (with a copy to the Paying Agent) promptly after such Bank or the Paying Agent or such Issuing Bank determines it is entitled to payment under this Section 2.12, and shall be conclusive and binding absent manifest error. In preparing such certificate, such Bank or the Paying Agent or such Issuing Bank may employ such assumptions and allocations of costs and expenses as it shall in good faith deem reasonable and may use any reasonable averaging and attribution method.

(e) In the event any Bank shall seek payment pursuant to this Section 2.12 or the events contemplated under Section 2.10 or Section 2.13 shall have occurred with respect to any Bank, the Company shall have the right to replace such Bank with, and add as “Banks” under this Agreement in place thereof, one or more assignees as provided in Section 2.23(b).

(f) Without prejudice to the survival of any other obligations of the Company hereunder, the obligations of the Company under this Section 2.12 shall survive for one year after the termination of this Agreement and/or the payment or assignment of any of the Loans or Notes.

Section 2.13 Change in Legality

(a) Notwithstanding anything to the contrary herein contained, if any Regulatory Change shall make it unlawful for any Bank to make or maintain any Eurodollar Loan or to give effect to its obligations in respect of Eurodollar Loans as contemplated hereby, then, by prompt written notice to the Company and to the Paying Agent, such Bank may:

(i) declare that Eurodollar Loans will not thereafter be made by such Bank hereunder, whereupon the Company shall be prohibited from requesting Eurodollar Loans from such Bank hereunder unless such declaration is subsequently withdrawn; and

(ii) if such unlawfulness shall be effective prior to the end of any Interest Period of an outstanding Eurodollar Loan, require that all outstanding Eurodollar Loans with such Interest Periods made by it be converted to Alternate Base Loans, in which event (A) all such Eurodollar Loans shall be automatically converted to Alternate Base Loans as of the effective date of such notice as provided in paragraph (b) below and (B) all payments and prepayments of principal which would otherwise have been applied to repay the converted Eurodollar Loans shall instead be applied to repay the Alternate Base Loans resulting from the conversion of such Eurodollar Loans.

(b) For purposes of this Section 2.13, a notice to the Company (with a copy to the Paying Agent) by any Bank pursuant to paragraph (a) above shall be effective on the date of receipt thereof by the Company. Any Bank having furnished such a notice agrees to withdraw the same promptly following any Regulatory Change that makes it lawful for such Bank to make and maintain Eurodollar Loans.

(c) If, with respect to any Bank, a condition arises or an event occurs which would, or would upon the giving of notice, result in the payment of amounts pursuant to Section 2.12 or permit such Bank, pursuant to this Section 2.13, to suspend its obligation to make Eurodollar Loans, such Bank, promptly upon becoming aware of the same, shall notify the Company thereof and shall take such steps as may reasonably be available to it (including, without limitation, changing its Applicable Lending Office) to mitigate the effects of such condition or event, provided that such Bank shall be under no obligation to take any step that, in its good faith opinion, would (a) result in its incurring any additional costs in performing its obligations hereunder and under any outstanding Loan (unless the Company has notified such Bank of the Company’s agreement to reimburse it for the same) or (b) be otherwise adverse to such Bank in a material respect.

Section 2.14 Indemnity. The Company shall indemnify each Bank against any loss or reasonable expense which such Bank may sustain or incur as a consequence of (a) any failure by the Company to fulfill on the date of any Borrowing hereunder the applicable conditions set forth in Article IV, (b) any failure by the Company to borrow hereunder after a Notice of Committed Borrowing pursuant to Article II has been given, (c) any payment, prepayment, or conversion of a Eurodollar Loan required by any other provision of this Agreement or otherwise made on a date other than the last day of the

applicable Interest Period for any reason, including without limitation the acceleration of outstanding Loans as a result of any Event of Default or (d) any failure by the Company for any reason (including without limitation the existence of a Default or an Event of Default) to pay, prepay or convert a Eurodollar Loan on the date for such payment, prepayment or conversion, specified in the relevant notice of payment, prepayment or conversion under this Agreement. The indemnity of the Company pursuant to the immediately preceding sentence shall include, but not be limited to, any loss or reasonable expense sustained or incurred or to be sustained or incurred in liquidating or employing deposits from third parties acquired to effect or maintain such Loan or any part thereof as a Eurodollar Loan. Such loss or reasonable expense shall include, without limitation, an amount equal to the excess, if any, as reasonably determined by each Bank of (i) its cost of obtaining the funds for the Loan being paid, prepaid, or converted or not borrowed, paid, prepaid or converted (based on the LIBO Rate) for the period from the date of such payment, prepayment, or conversion or failure to borrow, pay, prepay or convert to the last day of the Interest Period for such Loan (or, in the case of a failure to borrow, pay, prepay or convert, the Interest Period for the Loan which would have commenced on the date of such failure to borrow, pay, prepay or convert) over (ii) the amount of interest (as reasonably determined by such Bank) that would be realized by such Bank in reemploying the funds so paid, prepaid, or converted or not borrowed, paid, prepaid or converted for such period or Interest Period, as the case may be. A certificate of each Bank setting forth any amount or amounts and, in reasonable detail, the computations thereof, which such Bank is entitled to receive pursuant to this Section 2.14 shall be delivered to the Company (with a copy to the Paying Agent) and shall be conclusive, if made in good faith, absent manifest error. The Company shall pay to the Paying Agent for the account of each Bank the amount shown as due on any certificate within 30 days after its receipt of the same. The obligations of the Company pursuant to this Section 2.14 shall survive the termination of this Agreement and/or the payment or assignment of any of the Loans or Notes.

Section 2.15 Pro Rata Treatment. Except as permitted under Section 2.8(c), Section 2.12(d) and Section 2.14 with respect to interest and Section 2.25(e) with respect to principal and interest, (a) each payment or prepayment of principal and each payment of interest with respect to a Committed Borrowing shall be made pro rata among the Banks in accordance with the respective principal amounts of the Loans extended by each Bank, if any, with respect to such Committed Borrowing, and (b) conversions of Committed Loans to Committed Loans of another Type, continuations of Committed Loans that are Eurodollar Loans from one Interest Period to another Interest Period, and Committed Loans which are not refinancings of other Loans shall be made pro rata among the Banks in accordance with their respective Commitments.

Section 2.16 Sharing of Setoffs. Each Bank agrees that if it shall through the exercise of a right of banker's lien, setoff, or counterclaim against the Company (pursuant to Section 9.6 or otherwise), including, but not limited to, a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Bank under any applicable Debtor Relief Law or otherwise, obtain payment (voluntary or involuntary) in respect of the Committed Loans held by it (other than pursuant to Section 2.8(c), Section 2.12, or Section 2.14) as a result of which the unpaid principal portion of the Committed Loans held by it shall be proportionately less than the unpaid principal portion of the Committed Loans held by any other Bank, it shall be deemed to have simultaneously purchased from such other Bank a participation in the Committed Loans held by such other Bank, so that the aggregate unpaid principal amount of the Committed Loans and participations in Committed Loans pursuant to this Section 2.16 held by each Bank shall be in the same proportion to the aggregate unpaid principal amount of all Committed Loans then outstanding as the principal amount of the Committed Loans held by it prior to such exercise of banker's lien, setoff, or counterclaim was to the principal amount of all Committed Loans outstanding prior to such exercise of banker's lien, setoff, or counterclaim; provided, however, that if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.16 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such

recovery and the purchase price or prices or adjustment restored without interest. The Company expressly consents to the foregoing arrangements and agrees that any Bank holding a participation in a Committed Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff, or counterclaim with respect to any and all moneys owing by the Company to such Bank as fully as if such Bank had made a Committed Loan directly to the Company in the amount of such participation.

Section 2.17 Payments

(a) The Company shall make each payment hereunder and under any instrument delivered hereunder not later than 12:00 noon (New York City time) on the day when due in dollars, without setoff or counterclaim, to the Paying Agent at its Principal Office for the account of the Banks, in federal or other immediately available funds. The Paying Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal of or interest on Committed Loans (other than pursuant to Section 2.8(c), Section 2.12, and Section 2.14) or Commitment Fees ratably to the Banks and like funds relating to the payment of any other amount payable to any Bank to such Bank for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement.

(b) Whenever any payment hereunder or under any Note shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in all such cases be included in the computation of payment of interest or Commitment Fee, as the case may be; provided, however, if such extension would cause payment of interest on or principal of a Eurodollar Loan to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(c) Unless the Paying Agent shall have received notice from the Company prior to the date on which any payment is due to the Banks hereunder that the Company will not make such payment in full, the Paying Agent may assume that the Company has made or will make such payment in full to the Paying Agent on such date and the Paying Agent may, in reliance upon such assumption, cause to be distributed to each Bank on such due date an amount equal to the amount then due such Bank. If and to the extent the Company shall not have so made such payment in full to the Paying Agent, each Bank shall repay to the Paying Agent forthwith on demand such amount distributed to such Bank together with interest thereon, for each day from the date such amount is distributed to such Bank until the date such Bank repays such amount to the Paying Agent, at the Federal Funds Effective Rate.

Section 2.18 Taxes. (a) Each payment by the Company under this Agreement or any Loan Papers shall be made without withholding for any Taxes, unless such withholding is required by any Law. If any Withholding Agent determines, in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Withholding Agent may so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with applicable Law. If such Taxes are Indemnified Taxes, then the amount payable by the Company shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section), the Paying Agent or applicable Bank (as the case may be) receives the amount it would have received had no such withholding been made.

(b) The Company shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) As soon as practicable after any payment of Indemnified Taxes by the Company to a Governmental Authority, the Company shall deliver to the Paying Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Paying Agent.

(d) The Company shall indemnify the Paying Agent and each Bank, within 30 days after demand therefor, for the full amount of Indemnified Taxes (including, without limitation, any Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.18) payable or paid by the Paying Agent or such Bank (or its beneficial owner), as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a Bank (with a copy to the Paying Agent), or by the Paying Agent on its own behalf or on behalf of a Bank, shall be conclusive, if made in good faith, absent manifest error.

(e) Each Bank shall severally indemnify the Paying Agent, within 10 days after demand therefor, for the full amount of any Taxes attributable to such Bank that are payable or paid by the Paying Agent, and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, but only to the extent that the Company has not already indemnified the Paying Agent for such Indemnified Taxes and without limiting the obligation of the Company to do so. A certificate as to the amount of such payment or liability delivered to any Bank by the Paying Agent shall be conclusive absent manifest error. For the avoidance of doubt, there shall be no double recovery under this paragraph where the indemnified party has been indemnified for the same loss under a separate provision of the agreement.

(f) (i) Any Bank that is entitled to an exemption from or reduction of any applicable withholding Tax with respect to payments hereunder or under any other Loan Papers shall deliver to the Company and the Paying Agent, at the time or times requested by the Company or the Paying Agent, such properly completed and executed documentation prescribed by Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Bank, if requested by the Company or the Paying Agent, shall deliver such other documentation prescribed by Law or reasonably requested by the Company or the Paying Agent as will enable the Company or the Paying Agent to determine whether or not such Bank is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such forms (other than such documentation set forth in Sections 2.18(f)(ii)(A) through (E) below or any successor or substantially similar or comparable documentation thereto) shall not be required if in the Bank's good faith judgment such completion, execution or submission would subject such Bank to any material unreimbursed cost or expense (or, in the case of a change in Law, any incremental material unreimbursed cost or expense), unless indemnified by the Company in an amount reasonably satisfactory to such Bank, or would materially prejudice the legal or commercial position of such Bank. If any form or certification previously delivered pursuant to this Section expires or becomes obsolete or inaccurate in any respect with respect to a Bank, such Bank shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Company and the Paying Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so.

(ii) Without limiting the generality of the foregoing, any Bank that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code (a “Foreign Bank”) shall, to the extent it is legally entitled to do so, deliver to the Company and the Paying Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Paying Agent), whichever of the following is applicable:

- (A) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party;
- (B) duly completed copies of Internal Revenue Service Form W-8ECI;
- (C) in the case of a Foreign Bank claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate substantially in the Form of Exhibit G-1 to the effect that (i) such Foreign Bank is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Company within the meaning of section 881(c)(3)(B) of the Code, and (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code, and (ii) the interest payments in question are not effectively connected with the United States trade or business conducted by such Bank (a “U.S. Tax Compliance Certificate”) and (y) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable;
- (D) to the extent a Foreign Bank is not the beneficial owner (for example, where the Foreign Bank is a partnership or participating Bank granting a typical participation), an Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or G-3 (as applicable), Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that, if the Foreign Bank is a partnership (and not a participating Bank) and one or more beneficial owners of such Foreign Bank are claiming the portfolio interest exemption, such Foreign Bank may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such beneficial owner; or
- (E) any other form prescribed by Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable Law to permit the Company to determine the withholding or deduction required to be made.

(iii) If a payment made to a Bank under this Agreement or any other Loan Papers would be subject to U.S. Federal withholding Tax imposed by FATCA if such Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bank shall deliver to the Withholding Agent, at the time or times prescribed by Law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the

Withholding Agent to comply with its obligations under FATCA, to determine that such Bank has or has not complied with such Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.18(f)(iii), "FATCA" shall include all amendments made to FATCA after the date of this Agreement.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.18 (including additional amounts paid pursuant to this Section 2.18), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid to such indemnified party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.18(g), in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this Section 2.18(g) if such payment would place such indemnified party in a less favorable position (on a net after-Tax basis) than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.18(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the indemnifying party or any other Person.

(h) The provisions of this Section 2.18 shall survive the termination of this Agreement and/or the payment or assignment of any of the Loans or Notes.

(i) For purposes of this Section 2.18, the term "Bank" includes any Issuing Bank and the term "applicable Law" includes FATCA.

Section 2.19 Calculation of LIBO Rates. The provisions of this Agreement relating to calculation of the LIBO Rate are included only for the purpose of determining the rate of interest or other amounts to be paid hereunder that are based upon such rate, it being understood that each Bank shall be entitled to fund and maintain its funding of all or any part of a Eurodollar Loan as it sees fit. All such determinations hereunder, however, shall be made as if each Bank had actually funded and maintained funding of each Eurodollar Loan through the purchase in the Eurodollar InterBank Market of one or more eurodollar deposits in an amount equal to the principal amount of such Loan and having a maturity corresponding to the Interest Period for such Loan.

Section 2.20 Booking Loans. Subject to Section 2.18, any Bank may make, carry, or, transfer Loans at, to, or for the account of any of its branch offices or the office of any Affiliate.

Section 2.21 Quotation of Rates. It is hereby acknowledged that the Company may call the Paying Agent on or before the date on which notice of a Borrowing is to be delivered by the Company in order to receive an indication of the rate or rates then in effect, but that such projection shall not be binding upon the Paying Agent or any Bank nor affect the rate of interest which thereafter is actually in effect when the election is made.

Section 2.22 Defaulting Banks. Notwithstanding any provision of this Agreement to the contrary, if any Bank becomes a Defaulting Bank, the Paying Agent shall deliver written notice to such effect, upon the Paying Agent's obtaining knowledge of such event, to the Company and such Defaulting Bank, and the following provisions shall apply for so long as such Bank is a Defaulting Bank:

(a) Commitment Fees shall cease to accrue with respect to the Commitment of such Defaulting Bank pursuant to Section 2.4.

(b) The Commitment and Revolving Credit Exposure of such Defaulting Bank shall not be included in determining whether all Banks or the Majority Banks have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.1), provided that any waiver, amendment or modification requiring the consent of all Banks or each affected Bank which would increase or extend the term of the Commitment of such Defaulting Bank or which affects such Defaulting Bank differently than other affected Banks shall require the consent of such Defaulting Bank.

(c) If any L/C Obligations exist at the time a Bank becomes a Defaulting Bank, then:

(i) all or any part of such L/C Obligations shall be reallocated among the non-Defaulting Banks ratably in accordance with their respective Commitments but only to the extent that (x) the sum of all non-Defaulting Banks' Revolving Credit Exposures does not then exceed the total of all non-Defaulting Banks' Commitments, (y) no non-Defaulting Bank's Revolving Credit Exposure then exceeds such non-Defaulting Bank's Commitments and (z) the conditions set forth in Section 4.3 are satisfied at such time;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Company shall within one Business Day following notice by the Paying Agent cash collateralize the percentage such Defaulting Bank's Commitment represents of the Total Commitment of the L/C Obligations (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 7.2 for so long as such L/C Obligations are outstanding;

(iii) if the Company cash collateralizes any portion of such Defaulting Bank's L/C Obligations pursuant to this Section 2.22(c), the Company shall not be required to pay any fees to such Defaulting Bank pursuant to Section 3.3 with respect to such Defaulting Bank's portion of the L/C Obligations during the period of such collateralization;

(iv) if the L/C Obligations of the non-Defaulting Banks are reallocated pursuant to this Section 2.22(c), then the fees payable to the Banks pursuant to Section 3.3 shall be adjusted ratably in accordance with their respective Commitments; and

(v) if any Defaulting Bank's L/C Obligations are neither cash collateralized nor reallocated pursuant to this Section 2.22(c), then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Bank hereunder, all Commitment Fees that otherwise would have been payable to such Defaulting Bank (solely with respect to the portion of such Defaulting Bank's Commitment that was utilized by such L/C Obligations) and letter of credit fees payable under Section 3.3 with respect to such Defaulting Bank's L/C Obligations shall be payable to the applicable Issuing Bank until such L/C Obligations are cash collateralized and/or reallocated.

(d) So long as any Bank is a Defaulting Bank, no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the non-Defaulting Banks and/or cash collateral will be provided by the Company in accordance with Section 2.22(c), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among non-Defaulting Banks in a manner consistent with Section 2.22(c)(i) (and Defaulting Banks shall not participate therein).

(e) Any amount payable to such Defaulting Bank hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Bank pursuant to [Section 2.16](#), but excluding amounts payable pursuant to [Section 2.23](#)) shall, in lieu of being distributed to such Defaulting Bank, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Paying Agent (i) first, to the payment of any amounts owing by such Defaulting Bank to the Paying Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Bank to the Issuing Banks hereunder, (iii) third, if so determined by the Paying Agent or requested by an Issuing Bank, held in such account as cash collateral for future funding obligations of the Defaulting Bank in respect of any existing or future participating interest in any Letter of Credit, (iv) fourth, to the funding of any Loan in respect of which such Defaulting Bank has failed to fund its portion thereof as required by this Agreement, as determined by the Paying Agent, (v) fifth, if so determined by the Paying Agent and the Company, held in such account as cash collateral for future funding obligations of the Defaulting Bank in respect of any Loans under this Agreement, (vi) sixth, to the payment of any amounts owing to the Banks or an Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Bank or such Issuing Bank against such Defaulting Bank as a result of such Defaulting Bank's breach of its obligations under this Agreement, (vii) seventh, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting Bank as a result of such Defaulting Bank's breach of its obligations under this Agreement, and (viii) eighth, to such Defaulting Bank or as otherwise directed by a court of competent jurisdiction, provided, with respect to this clause (viii), that if such payment is (x) a prepayment of the principal amount of any Loans or reimbursement obligations in respect of any drafts paid by an Issuing Bank under any Letters of Credit which a Defaulting Bank has funded its participation obligations and (y) made at a time when the conditions set forth in [Section 4.3](#) are satisfied, such payment shall be applied solely to prepay the Loans of, and reimbursement obligations owed to, all non-Defaulting Banks pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Bank.

In the event that the Paying Agent, each Issuing Bank and the Company each agrees that a Defaulting Bank has adequately remedied all matters that caused such Bank to be a Defaulting Bank or upon receipt by the Paying Agent of the confirmation referred to in clause (c) of the definition of "Defaulting Bank", as applicable, then on such date such Bank shall purchase at par such portion of the Loans of the other Banks as the Paying Agent shall determine may be necessary in order for such Bank to hold such Loans ratably in accordance with its Commitment.

Section 2.23 Mitigation Obligations; Replacement of Banks.

(a) If any Bank requests compensation under [Section 2.12](#) or [Section 2.18](#), or if the Company is required to pay any additional amount to any Bank or any Governmental Authority for the account of any Bank pursuant to [Section 2.12](#) or [Section 2.18](#), then such Bank shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to [Section 2.12](#) or [Section 2.18](#) in the future and (ii) would not subject such Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Bank. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Bank in connection with any such designation or assignment.

(b) If (i) any Bank requests compensation under [Section 2.12](#) or [Section 2.18](#), (ii) the Company is required to pay any additional amount to any Bank or any Governmental Authority for the account of any Bank pursuant to [Section 2.12](#) or [Section 2.18](#), (iii) an event contemplated under [Section 2.10](#) or [Section 2.13](#) shall have occurred with respect to any Bank, (iv) any Bank becomes a Defaulting Bank or (v) any Bank becomes a Non-Extending Bank, then, in each case, the Company may, at its sole

expense and effort, upon notice to such Bank and the Paying Agent, require such Bank to assign and delegate, without recourse (except for certain customary representations and warranties, in accordance with and subject to the restrictions contained in Section 9.10), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Bank, if a Bank accepts such assignment); provided that (i) the Company shall have received the prior written consent of the Paying Agent, which consent shall not unreasonably be withheld, (ii) such Bank shall have received payment of an amount equal to the outstanding principal of its Loans and participations in any drafts paid by an Issuing Bank under any Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or Section 2.18 or payments required to be made pursuant to Section 2.12 or Section 2.18, such assignment will result in a reduction in such compensation or payments and (iv) in the case of any such assignment resulting from a Bank becoming a Non-Extending Bank, such assignee shall have provided written notice to the Paying Agent that it consents to the requested extension of the Existing Termination Date with respect to any Commitments held (or to be held) by it on the applicable Extension Date. A Bank shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Bank or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply.

Section 2.24 Commitment Increases.

(a) The Company and any one or more Banks (including New Banks) may from time to time agree that such Banks shall obtain or increase the amount of their Commitments by executing and delivering to the Paying Agent an Increased Facility Activation Notice specifying (i) the amount of such increase and (ii) the applicable Increased Facility Closing Date; provided that (i) the aggregate amount of incremental Commitments obtained after the Effective Date pursuant to this Section 2.24 shall not exceed \$500,000,000, (ii) with respect to any Increased Facility Closing Date, the increases effected on such date pursuant to this Section 2.24 shall be in a minimum amount of \$25,000,000 and (iii) no more than four Increased Facility Closing Dates may occur after the Effective Date. No Bank shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(b) Any additional bank or financial institution which, with the consent of the Company, each Issuing Bank (which consent shall not be unreasonably withheld) and the Paying Agent (which consent shall not be unreasonably withheld), elects to become a "Bank" under this Agreement in connection with any increase described in Section 2.24(a) shall execute a New Bank Supplement (each, a "New Bank Supplement"), substantially in the form of Exhibit H-2, whereupon such bank or financial institution (each, a "New Bank") shall become a Bank for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(c) On each Increased Facility Closing Date, each Bank holding Committed Loans prior to giving effect to this Section 2.24(c) (each, an "Existing Bank") shall be deemed to have assigned to each Bank participating in the relevant Commitment increase (each, an "Increased Facility Bank"), and each such Increased Facility Bank shall be deemed to have purchased from each Existing Bank, at the principal amount thereof (together with accrued interest), such interests in the Committed Loans and participations in Letters of Credit outstanding on such date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Committed Loans and participations in Letters of Credit will be held by all the Banks (including such Increased Facility Banks) ratably in accordance with the percentage which its Commitment represents of the Total Commitment after giving effect to the increase to the Commitments on such Increased Facility Closing Date. In furtherance of the foregoing, on such Increased Facility Closing Date, (i) each Increased Facility Bank agrees to make payments to the

Paying Agent for the benefit of the Existing Banks in an amount equal to the principal amount (together with accrued interest) of the interests in the Committed Loans and funded participations in any Letters of Credit relating to any unreimbursed drawings thereunder deemed to have been purchased by such Increased Facility Bank on such Increased Facility Closing Date pursuant to the immediately preceding sentence and (ii) each Existing Bank agrees to accept payments in an amount equal to the principal amount (together with accrued interest) of the interests in the Committed Loans and funded participations in any Letters of Credit relating to any unreimbursed drawings thereunder deemed to have been assigned by such Existing Bank on such Increased Facility Closing Date pursuant to the immediately preceding sentence.

(d) The effectiveness of any increase to the Commitments pursuant to this Section 2.24 shall be subject to the satisfaction of the following conditions precedent: (i) no Default or Event of Default shall have occurred and be continuing immediately prior to, and immediately after, giving effect to such increase to the Commitments, (ii) the representations and warranties contained in Article V shall be correct in all material respects (or, to the extent subject to materiality or Material Adverse Effect qualifiers, in all respects) on and as of the date of such increase to the Commitments (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date), immediately prior to, and after giving effect to, such increase to the Commitments, as though made on and as of such date, (iii) on a pro forma basis after giving effect to (x) such increase to the Commitments (assuming such incremental Commitments are fully drawn) and (y) any permanent repayment of Debt after the last day of the most recently ended fiscal quarter for which the Company's annual or quarterly Financial Statements have been most recently required to have been delivered pursuant to Section 6.01 (assuming, for such purpose, that (A) such increase to the Commitments (and the full drawing thereof) and any such permanent repayment of Debt occurred on the first day of the four fiscal quarter period for which the Company's annual or quarterly Financial Statements have been most recently required to have been delivered pursuant to Section 6.01 and (B) such incremental Commitments had been borrowed as Eurodollar Loans with successive one-month Interest Periods during the four fiscal quarter period for which the Company's annual or quarterly Financial Statements have been most recently required to have been delivered pursuant to Section 6.01), the Coverage Ratio shall not be less than 1.25 to 1.0 and (iv) the Company shall have delivered such legal opinions, board resolutions, certificates and other documents reasonably requested by the Paying Agent in connection with such increase to the Commitments.

Section 2.25 Extension of the Termination Date.

(a) The Company may, by notice (the date of such notice, the "Request Date") to the Paying Agent (who shall promptly notify the Banks) not earlier than 60 days and not later than 30 days prior to any anniversary of the Effective Date (each a "Relevant Anniversary Date"), request that each Bank extend such Bank's Termination Date for an additional year from the Termination Date then in effect hereunder (the "Existing Termination Date"; any anniversary of the Existing Termination Date to which Commitments shall be extended being called the "Extended Termination Date";) provided that the Company shall not make more than two such requests during the term of this Agreement.

(b) Each Bank, acting in its sole and individual discretion, shall, by written notice to the Paying Agent given not later than the date that is 20 days following the Request Date (the "Notice Deadline"), advise the Paying Agent whether or not such Bank agrees to such extension (and each Bank that determines not to so extend its Termination Date (a "Non-Extending Bank") shall notify the Paying Agent of such fact promptly after such determination (but in any event no later than the Notice Deadline)) and any Bank that does not so advise the Paying Agent on or before the Notice Deadline shall be deemed to be a Non-Extending Bank. The election of any Bank to agree to such extension shall not obligate any other Bank to so agree. Promptly following the Notice Deadline, the Paying Agent shall notify the Company of each Bank's determination under this Section.

(c) The Company shall have the right on or before the Relevant Anniversary Date to replace each Non-Extending Bank with, and add as “Banks” under this Agreement in place thereof, one or more assignees with Commitments terminating on the Extended Termination Date (each, an “Additional Commitment Bank”) as provided in Section 2.23(b), each of which Additional Commitment Banks shall have entered into an Assignment and Assumption pursuant to which such Additional Commitment Bank shall undertake a Commitment of such Non-Extending Bank at par (and, if any such Additional Commitment Bank is already a Bank, its Commitment of such Non-Extending Bank shall be in addition to such Bank’s Commitment hereunder on such date).

(d) If (and only if) the aggregate Commitments of the Banks that have agreed to so to extend their Termination Date pursuant to this Section 2.25 and the additional Commitments of the Additional Commitment Banks shall be more than 50% of the aggregate amount of the Commitments in effect immediately prior to the Relevant Anniversary Date, then, effective as of the Relevant Anniversary Date (each such effective date, an “Extension Date”), the Termination Date of each extending Bank and of each Additional Commitment Bank shall be extended to the Extended Termination Date (except that, if such date is not a Business Day, such Extended Termination Date shall be the immediately preceding Business Day), so long as: (i) at the time of and immediately after giving effect to such extension, no Default or Event of Default shall have occurred and be continuing and (ii) the representations and warranties contained in Article V shall be correct in all material respects (or, to the extent subject to materiality or Material Adverse Effect qualifiers, in all respects) on and as of the date of such extension (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date), immediately prior to, and after giving effect to, such extension, as though made on and as of such date.

(e)

(i) Any Non-Extending Bank may, by written notice to the Paying Agent, at any time after the relevant Extension Date and prior to the applicable Existing Termination Date, elect to extend its Termination Date to the Extended Termination Date and, upon the Paying Agent’s receipt of such written notice from any Non-Extending Bank, (x) the Termination Date of such Bank shall be automatically extended to the Extended Termination Date (except that, if such date is not a Business Day, such Extended Termination Date shall be the immediately preceding Business Day) and (y) such Bank shall no longer be a Non-Extending Bank with respect to the applicable extension. The Paying Agent shall promptly give notice to the Company of any such extension pursuant to this Section 2.21(e)(i).

(ii) On the Termination Date applicable to the Loans of any Non-Extending Bank, the Company shall repay any then outstanding Loans of such Non-Extending Bank (and pay any additional amounts required pursuant to Section 2.14). Following any extension pursuant to this Section 2.25, the L/C Obligations shall continue to be deemed to be held ratably among the Banks, but on the Termination Date applicable to the Loans of any Non-Extending Bank, the L/C Obligations deemed to be held by such Non-Extending Bank immediately prior to giving effect to such Termination Date shall be ratably reallocated, to the extent of the unused Commitments of the extending Banks, to such extending Banks (without regard to whether the conditions set forth in Section 4.3 can then be satisfied); provided that the Company shall repay the Loans of the extending Banks pro rata to the extent necessary to allow the L/C Obligations deemed to be held by such Non-Extending Bank immediately prior to giving effect to such Termination Date to be fully reallocated to the extending Banks.

(f) Conflicting Provisions. This Section 2.25 shall supersede any provisions in Section 2.15 or Section 9.1 to the contrary.

ARTICLE III

LETTERS OF CREDIT

Section 3.1 L/C Commitment

(a) Subject to the terms and conditions hereof, each Issuing Bank, in reliance on the agreements of the other Banks set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") in dollars for the account of the Company on any Business Day on and after the Effective Date and until the termination of the Commitment of the Issuing Bank in accordance with the terms hereof, in such form as may be approved from time to time by the Issuing Bank; provided that Barclays Bank PLC shall have no obligation to issue commercial Letters of Credit hereunder; provided, further, that no Issuing Bank shall issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the excess of the Total Commitment over the aggregate amount of Loans and L/C Obligations then outstanding would be less than zero; provided, further, that no Initial Issuing Bank shall at any time be obligated to issue any Letter of Credit if, after giving effect to such issuance, the sum of (x) the aggregate undrawn and unexpired amount of all then outstanding Letters of Credit issued by such Initial Issuing Bank and (y) the aggregate amount of drawings under Letters of Credit issued by such Initial Issuing Bank that have not then been reimbursed pursuant Section 3.5 would exceed \$100,000,000. Each Letter of Credit shall (i) be denominated in dollars and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the later of (A) the Original Termination Date and (B) if any Commitments are extended pursuant to Section 2.25, such extended termination date as determined pursuant to Section 2.25, provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above).

(b) No Issuing Bank shall at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause such Issuing Bank or any L/C Participant to exceed any limits imposed by, any applicable Laws.

Section 3.2 Procedure for Issuance of Letter of Credit. The Company may from time to time request that the Issuing Bank issue a Letter of Credit by delivering to the Issuing Bank at its address for notices specified herein an Application therefor, completed to the reasonable satisfaction of the Issuing Bank, and such other certificates, documents and other papers and information as the Issuing Bank may reasonably request. Upon receipt of any Application, the Issuing Bank will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall the Issuing Bank be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed by the Issuing Bank and the Company. The Issuing Bank shall furnish a copy of such Letter of Credit to the Company promptly following the issuance thereof. The Issuing Bank shall promptly furnish to the Paying Agent, which shall in turn promptly furnish to the Banks, notice of the issuance of each Letter of Credit (including the amount thereof).

Section 3.3 Fees and Other Charges

(a) The Company will pay to the Paying Agent for the ratable benefit of the Banks on each Quarterly Payment Date after the issuance date and on the Termination Date a fee on all outstanding Letters of Credit at a per annum rate equal to the Applicable Rate then in effect with respect to Eurodollar Loans. In addition, the Company shall pay to the Issuing Bank for its own account a fronting fee at a per annum rate separately agreed upon between the Company and the Issuing Bank (which fee, in the case of Citibank, N.A., is reflected in the fee letter dated June 23, 2016, between the Company and Citibank, N.A. and, in the case of JPMorgan Chase Bank, N.A., is reflected in the fee letter dated June 23, 2016, between the Company and JPMorgan Chase Bank, N.A.) on the undrawn and unexpired amount of each Letter of Credit, payable quarterly in arrears on each Quarterly Payment Date after the issuance date and on the Termination Date. Fees payable pursuant this Section 3.3(a) shall be calculated on the basis of a 360-day year for the actual days elapsed.

(b) In addition to the foregoing fees, the Company shall pay or reimburse the Issuing Bank for such normal and customary costs and expenses as are incurred or charged by the Issuing Bank in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

Section 3.4 L/C Participations

(a) The Issuing Bank irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Bank to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Bank, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest, equal to the percentage which such L/C Participant's Commitment represents of the Total Commitment, in the Issuing Bank's obligations and rights under and in respect of each Letter of Credit and the amount of each draft paid by the Issuing Bank thereunder. Each L/C Participant unconditionally and irrevocably agrees with the Issuing Bank that, if a draft is paid under any Letter of Credit for which the Issuing Bank is not reimbursed in full by the Company in accordance with the terms of this Agreement, such L/C Participant shall pay to the Issuing Bank upon demand a fraction of the amount of such draft, or any part thereof, that is not so reimbursed, equal to the percentage which such L/C Participant's Commitment represents of the Total Commitment.

(b) If any amount required to be paid by any L/C Participant to the Issuing Bank pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Bank under any Letter of Credit is paid to the Issuing Bank within three Business Days after the date such payment is due, such L/C Participant shall pay to the Issuing Bank on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Bank, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the Issuing Bank by such L/C Participant within three Business Days after the date such payment is due, the Issuing Bank shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to Alternate Base Loans. A certificate of the Issuing Bank submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the Issuing Bank has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), the Issuing Bank receives any payment related to such Letter of Credit (whether directly from the Company or otherwise, including proceeds of collateral applied thereto by the Issuing Bank), or any payment of interest on account thereof, the Issuing Bank will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by the Issuing Bank shall be required to be returned by the Issuing Bank, such L/C Participant shall return to the Issuing Bank the portion thereof previously distributed by the Issuing Bank to it.

Section 3.5 Reimbursement Obligation of the Company. If any draft is paid under any Letter of Credit, the Company shall reimburse the Issuing Bank for the amount of (a) the draft so paid and (b) any Taxes, fees, charges or other costs or expenses incurred by the Issuing Bank in connection with such payment, not later than 12:00 noon, New York City time, on (i) the Business Day that the Company receives notice of such draft, if such notice is received on such day prior to 10:00 a.m., New York City time, or (ii) if clause (i) above does not apply, the Business Day immediately following the day that the Company receives such notice. Each such payment shall be made to the Issuing Bank at its address for notices referred to herein in dollars and in immediately available funds. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full at the rate set forth in (x) until the Business Day next succeeding the date of the relevant notice, Section 2.8(b) and (y) thereafter, Section 2.9.

Section 3.6 Obligations Absolute. The Company's obligations under this Article III shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Company may have or have had against the Issuing Bank, any beneficiary of a Letter of Credit or any other Person. The Company also agrees with the Issuing Bank that the Issuing Bank shall not be responsible for, and the Company's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Company and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Company against any beneficiary of such Letter of Credit or any such transferee. The Issuing Bank shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct or bad faith of the Issuing Bank. The Company agrees that any action taken or omitted by the Issuing Bank under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence, willful misconduct or bad faith and in accordance with the standards of care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Company and shall not result in any liability of the Issuing Bank to the Company.

Section 3.7 Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the Issuing Bank shall promptly notify the Company of the date and amount thereof. The responsibility of the Issuing Bank to the Company in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

Section 3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Article III, the provisions of this Article III shall apply.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The Company represents and warrants to the Agents and Banks as follows:

Section 5.1 Organization, Authority and Qualifications

(a) The Company and each of its Material Subsidiaries is a Person duly organized, validly existing, and in good standing under the Laws of the jurisdiction of its organization;

(b) The Company has the corporate power and authority to execute, deliver, and perform this Agreement and the other Loan Papers to which it is a party and to borrow hereunder;

(c) On the Effective Date, the Company and each of its Material Subsidiaries is duly qualified as a foreign Person to do business and is in good standing in every jurisdiction where the character of its Properties or nature of its activities make such qualification necessary, except where the failure to be so qualified or in good standing would not have a Material Adverse Effect; and

(d) On the Effective Date, the Company has no Material Subsidiaries.

Section 5.2 Financial Statements. The Current Financials present fairly in all material respects the consolidated financial position of the Company and its Subsidiaries on the date thereof and the consolidated results of operations and changes in financial position of the Company and its Subsidiaries for the period then ended, all in conformity with GAAP. Except for transactions related to or contemplated by the Loan Papers and transactions disclosed in Forms 10-Q and 8-K that the Company shall have filed with the Securities and Exchange Commission before the Effective Date, there has been no Material Adverse Change since December 31, 2015.

Section 5.3 Compliance with Agreement and Laws. On the Effective Date, neither the Company nor any of its Material Subsidiaries is in default in any material respect under the provisions of any instrument evidencing any material obligation, indebtedness, or liability of the Company or any of its Material Subsidiaries or of any agreement relating thereto. Neither the Company nor any of its Material Subsidiaries is in violation of any Law, which default or violation would have a Material Adverse Effect.

Section 5.4 Authorization; No Breach; and Valid Agreements. The execution, delivery, and performance of this Agreement, the borrowings hereunder, and the execution, delivery, and performance of the other Loan Papers to which it is a party by the Company have been duly authorized by all requisite corporate action on the part of the Company and will not violate its charter or bylaws and will not violate any Law or any order of any Tribunal, and will not conflict with, result in a breach of the provisions of or constitute a default under, or result in the imposition of any Lien upon the Property of the Company pursuant to the provisions of, any material loan agreement, credit agreement, indenture, mortgage, deed of trust, franchise, permit, license, note, contract, or other material agreement or instrument to which the Company is now a party. The Loan Papers that include obligations of the Company are the legal, valid and binding obligations of the Company and are enforceable in accordance

with their respective terms, except as such enforceability may be limited by general equitable principles (whether enforcement is sought by proceedings in equity or at law) or applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally.

Section 5.5 Litigation and Judgments. Except as previously disclosed to the Paying Agent in writing, neither the Company nor any of its Subsidiaries is either party to or aware of the threat of any Litigation which has, in the Company's opinion, a reasonable probability of success and which, if determined adversely to the Company or such Subsidiary, would have a Material Adverse Effect. To the knowledge of the Company, on the Effective Date there is no outstanding unsatisfied money judgment against the Company or any of its Subsidiaries in an amount in excess of \$50,000,000, and there are no outstanding unsatisfied money judgments against the Company or any of its Subsidiaries which individually or in the aggregate have or would have a Material Adverse Effect.

Section 5.6 Ownership of Properties. The Company and each of its Material Subsidiaries has good and marketable title (except for Permitted Liens) to all of the Pool Assets, and owns or has valid leasehold (or, in the case of Intellectual Property, license) interests in all of its other material Properties which are owned or used in connection with its business.

Section 5.7 Taxes. To the extent that failure to do so would have a Material Adverse Effect, the Company and each of its Material Subsidiaries has filed all Tax returns or reports required of it and has paid all Tax liability shown thereon as due to the extent the same has become due and before it may have become delinquent (except to the extent being contested in good faith by appropriate proceedings and for which adequate reserves have been established). As of the Effective Date, the federal income tax liability of the Company and its Subsidiaries has been audited by the Internal Revenue Service and has been finally determined and satisfied for all taxable years at least up to and including the taxable year ended December 31, 2013.

Section 5.8 Approvals Required. Neither the execution and delivery of this Agreement and the other Loan Papers to which it is a party by the Company, nor the consummation by the Company of any of the transactions contemplated hereby or thereby requires the consent or approval of, the giving of notice to, or the registration, recording, or filing of any document with, or the taking of any other action in respect of any Tribunal except for the routine filing of copies of this Agreement and certain other Loan Papers with the Securities and Exchange Commission, except for any of the foregoing required of any Bank or Agent.

Section 5.9 Business; Status as Air Carrier. The Company is an air carrier engaged in scheduled air transportation and is in all material respects duly qualified and licensed under all applicable Laws to carry on its business as a scheduled airline currently subject to regulation by the Federal Aviation Administration and the Department of Transportation.

Section 5.10 ERISA Compliance. The Company is in compliance in all material respects with ERISA and the rules and regulations thereunder. No Plan of the Company has materially failed to satisfy the "minimum funding standards" of ERISA or is in "at risk" status (within the meaning of ERISA).

Section 5.11 Insurance. The Company maintains with insurance companies or associations of recognized responsibility (or, as to workers' compensation or similar insurance, with an insurance fund or by self-insurance authorized by the jurisdictions in which it operates) insurance concerning its Properties and businesses against such casualties and contingencies and of such types and in such amounts (and with co-insurance, self-insurance and deductibles) as it determines to be prudent and consistent with its insurance and loss prevention policies, and in such forms and covering such risks as may then be customary with airlines of a comparable credit standing flying equipment and routes comparable to the Company.

Section 5.12 Purpose of Loan. The proceeds of the Loans will be used for general corporate purposes, including acquisitions, and no part of the proceeds of any Loan will be used for any purpose which would violate, or be inconsistent with, any of the margin regulations of the Board.

Section 5.13 Investment Company Act. Neither the Company nor any of its Subsidiaries is an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended.

Section 5.14 General. As of the Effective Date, there is no material fact or condition relating to the financial condition and business of the Company and its Subsidiaries which is not reflected in its most recently filed financial statements or any posted SEC Form 8-K which has a Material Adverse Effect and which has not been related, in writing, to the Paying Agent, other than industry-wide risks in the ordinary course of business associated with the types of business conducted by the Company and its Subsidiaries.

Section 5.15 EEA Financial Institutions. The Company is not an EEA Financial Institution.

Section 5.16 Anti-Corruption Laws and Sanctions. The Company has implemented and maintains in effect policies and procedures designed to maintain material compliance by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Company, its Subsidiaries and their respective officers and employees, and to the knowledge of the Company its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in the Company being designated as a Sanctioned Person. None of (a) the Company, any of its Subsidiaries or to the knowledge of the Company or such Subsidiary of the Company any of their respective directors, officers or employees, or (b) to the knowledge of the Company, any agent of the Company or any of its Subsidiaries that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Loan or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate any Anti-Corruption Law or applicable Sanctions. Notwithstanding the foregoing or any other provision of this Agreement, the Company shall not be in breach of this Section 5.16 or Section 6.3 if it operates any of its aircraft (including any Pool Asset) in a Sanctioned Country for which it has obtained legal authority from the United States government to conduct operations in such Sanctioned Country.

ARTICLE VI

COVENANTS

So long as the Company may borrow hereunder and until the Obligations have been paid in full, the Company covenants as follows:

Section 6.1 Performance of Obligations. The Company shall duly and punctually pay and perform each of the Obligations under this Agreement and the other Loan Papers under which the Company has Obligations.

Section 6.2 Compliance with Laws. The Company shall comply, and shall cause each of its Material Subsidiaries to comply, in all material respects with all applicable Laws, except for any

noncompliance which individually or in the aggregate would not have a Material Adverse Effect, and such compliance shall include, without limitation, paying before the same become delinquent all Taxes imposed upon the Company or any of its Material Subsidiaries or its or their Properties, except to the extent contested diligently and in good faith by proper proceedings, and for which adequate reserves are established in accordance with GAAP.

Section 6.3 Maintenance of Existence, Licenses and Franchises: Compliance With Agreements. Except to the extent otherwise permitted in Article VI, the Company shall maintain, and shall cause each of its Material Subsidiaries to maintain, its existence, and the Company shall preserve and maintain, and shall cause each of its Material Subsidiaries to preserve and maintain, all material licenses, privileges, franchises, certificates, authorizations, and other permits and agreements necessary for the operation of its business. The Company shall comply, and shall cause each of its Material Subsidiaries to comply, with all material agreements binding on it or affecting its properties or business, except for any noncompliance which individually or in the aggregate would not have a Material Adverse Effect. The Company shall maintain in effect and enforce policies and procedures designed to cause material compliance by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

Section 6.4 Maintenance of Properties. (a) The Company shall, and shall cause each of its Material Subsidiaries to, cause all of its Properties used or useful in the conduct of its business to be maintained and kept in good condition, repair, and working order, and supplied with all necessary equipment, and cause to be made all necessary repairs, renewals, replacements, betterments, and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly conducted at all times.

(b) The Company shall, at its expense, maintain, service, repair, overhaul, improve, and rebuild the Aircraft so as to keep all Aircraft in good operating condition and as required to meet, no later than the applicable termination date (i.e., the date by which compliance with such standards is required), the airworthiness standards of the Federal Aviation Administration and the Department of Transportation (to the extent such standards are applicable to the Aircraft) or the standards observed by the Company with respect to Property of similar type, whichever is higher. The Company shall maintain, service, repair and overhaul all Aircraft in compliance with its Federal Aviation Administration approved maintenance program. The Company shall comply with all Laws of Tribunals having jurisdiction over the Company or the Aircraft, including all applicable requirements of the Federal Aviation Administration and the Department of Transportation as to operation, maintenance, or use of the Aircraft. In the event that any such Law requires alteration of any Aircraft, the Company shall conform thereto or obtain conformance therewith at no expense to the Agents or the Banks no later than the applicable termination date (i.e., the date by which such alteration is required).

(c) Notwithstanding anything to the contrary in this Section 6.4, (A) (i) the Company may place an Aircraft in storage in accordance with the Company's standard storage procedures (including, in the case of Aircraft in the Company's Boeing 737-300 and 737-500 fleet, for decommissioning purposes), (ii) an Aircraft (or any component thereof) may undergo maintenance in accordance with the Company's Federal Aviation Administration approved maintenance program and (iii) an Aircraft may be grounded by applicable government authorities, in each case, without the necessity of keeping such Aircraft in good operating condition or maintaining such Aircraft's airworthiness certification or otherwise complying with the foregoing provisions of this Section 6.4. (B) the Company may contest the applicability of any Laws or directives described in this Section 6.4 in any reasonable manner and defer compliance therewith until such contest is finally determined or adjudicated, so long as, notwithstanding such deferred compliance with respect to any Aircraft, the Company keeps such Aircraft in good operating condition and maintains such Aircraft's airworthiness certification and (C) the Company may defer maintenance

and defer conformity with any airworthiness directive in a manner that is consistent with its Federal Aviation Administration approved maintenance program and applicable Laws; provided that if any Aircraft that is a Pool Asset that has been placed into storage or grounded as provided in the preceding clause (A) is not in good operating condition or lacks airworthiness certification (any such Aircraft, a “Non-Compliant Pool Aircraft”) for a period of more than 30 days, then, within 60 days of the end of such 30 day period the Company shall be required to replace such Aircraft with another Aircraft in compliance with Section 6.12(b) hereof; provided, further, that the Company shall not permit the Appraised Value of all Non-Compliant Pool Aircraft at any time to exceed an amount equal to 7.5% of the Appraised Value of all Pool Assets at such time for a period of more than ten Business Days.

Section 6.5 Maintenance of Books and Records. The Company shall, and shall cause each of its Subsidiaries to, maintain proper books of record and account in which full, true, and correct entries in conformity in all material respects with GAAP will be made in respect of all financial dealings and transactions that are, individually or in the aggregate, material in relation to their business and activities.

Section 6.6 Inspection. At reasonable times and upon reasonable notice, the Company shall permit, and shall cause each of its Material Subsidiaries to permit, any employees and other representatives of the Paying Agent or any Bank (provided that any visit or examination by any Bank must be coordinated in advance with the Paying Agent), during normal business hours, (1) to visit the Company and inspect any Properties, (2) to examine and make extracts from all books of account and all records that relate to the financial operations of the Company (subject to any confidentiality agreements, copyright restrictions, and similar limitations), and (3) to discuss the Company’s and Material Subsidiaries’ affairs, finances, Properties, condition (financial or otherwise) and accounts with the Company’s and Material Subsidiaries’ officers, in each case of the preceding clauses (1), (2) and (3), for the purpose of verifying the accuracy of the various reports delivered by the Company to the Paying Agent and the Banks pursuant to this Agreement or otherwise ascertaining compliance this Agreement and at such times and as often as may be reasonably requested, but in any event in the case of the preceding clauses (1) and (2), so long as no Event of Default has occurred and is continuing, no more than one time per year; provided, however, that (a) any such inspection of Aircraft (i) shall be limited to the Pool Assets, (ii) shall be a visual, walk-around inspection and (iii) may not include opening any panels, bays or the like, (b) no exercise of any inspection rights provided for in this Section 6.6 shall interfere with the normal operation or maintenance of any Aircraft by, or the business of, the Company, and (c) the Paying Agent and each Bank shall cause their respective employees and representatives to hold in strict confidence all information acquired pursuant to such Agent’s or Bank’s Rights under this Section 6.6, except for disclosure to any Affiliate of a Bank as a necessary part of the administration of this Agreement and necessary disclosure to participants in the Loans or Commitments, disclosure in connection with disputes relating to the Loan Papers, or disclosure compelled by judicial or administrative process or by other requirements of Law.

Section 6.7 Insurance. The Company shall maintain insurance on its Properties with insurers or associations of recognized standing in such amounts (including by way of self-insurance) as it determines to be prudent and consistent with its insurance and loss prevention policies, and in such forms and covering such risks as may then be customary with airlines of a comparable credit standing flying equipment and routes comparable to the Company. Without in any way limiting the foregoing, the Company shall maintain insurance on the Aircraft, including “all-risk” hull insurance and aviation liability insurance, consistent with the previous sentence.

Section 6.8 Appraisals. On each Appraisal Delivery Date, the Company shall submit an Appraisal of the Pool Assets to the Paying Agent (for onward distribution to the Banks) as of the date which is no more than 30 days prior to such Appraisal Delivery Date; provided that the Appraisal to be

delivered on the Effective Date may be dated as of March 31, 2016; and provided, however, that if such Appraisal is to be delivered on such Appraisal Delivery Date as a consequence of clause (c) of the definition thereof, the Appraisal to be delivered on such date shall only be in respect of the assets to be removed from and/or added to the Pool Assets.

Section 6.9 Coverage Ratio. The Company shall maintain at all times a Coverage Ratio of not less than 1.25 to 1.0.

The Company shall have the option to reduce the required Coverage Ratio to 0.80 to 1.0 for two consecutive fiscal quarters by written notice to the Banks. If such notice is given, the Company shall be irrevocably obligated to pay to each Bank a quarterly fee equal to 0.25% of such Bank's Commitment for each quarter (with the amount of such Commitment being determined on an average basis if such Commitment has changed during such quarter), payable on each date on which financial statements for the two relevant fiscal quarters are required to be delivered; provided that (i) such option may be exercised no more than once between the Effective Date and the Termination Date and (ii) such fee shall be payable in respect of any quarter only if the Coverage Ratio for such quarter is less than 1.25 to 1.0.

Section 6.10 Reporting Requirements. The Company shall furnish to the Paying Agent (with sufficient copies for each Bank):

(a) Within 120 days after the last day of each fiscal year of the Company, Financial Statements (it being understood that delivery of the Company's annual report on Form 10-K for any fiscal year as filed with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, will satisfy this requirement with respect to such fiscal year) showing the consolidated financial condition and results of operations of the Company and its Subsidiaries as of, and for the year ended on, such last day, accompanied by (i) the opinion, without material qualification, of Auditors, based on an audit using generally accepted auditing standards, that such Financial Statements were prepared in accordance with GAAP and present fairly, in all material respects, the consolidated financial position and results of operations of the Company and its consolidated Subsidiaries for the periods presented and (ii) a Financial Report Certificate;

(b) Within 60 days after the last day of each of the first three fiscal quarters of the Company (i) Financial Statements showing the consolidated financial condition and results of operations of the Company and its consolidated Subsidiaries as of and for the period from the beginning of the current fiscal year to, such last day (it being understood that delivery of the Company's quarterly report on Form 10-Q for any fiscal quarter as filed with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, will satisfy this requirement with respect to such fiscal quarter), and (ii) a Financial Report Certificate;

(c) (i) Promptly after mailing, true copies of all reports, statements, documents, plans, and other written communications furnished by or on behalf of the Company or any of its Subsidiaries to stockholders generally and (ii) promptly upon the filing thereof, copies of all registration statements (other than the exhibits thereto and any registration statements on Form S-8 or its equivalent) and reports on Forms 10-K, 10-Q and 8-K (or their equivalents) which the Company shall have filed with the Securities and Exchange Commission;

(d) Notice, promptly after the Company or any of its Material Subsidiaries knows or has reason to know of a Default or Event of Default, specifying the nature thereof and what action the Company or any Subsidiary has taken, is taking, or proposes to take with respect thereto;

(e) Prompt notice of any legal or arbitral proceedings, and of all proceedings by or before any governmental or regulatory authority or agency, and any material development in respect of such legal or other proceedings, affecting the Company, except proceedings which, if adversely determined, would not have a Material Adverse Effect or proceedings with respect to which the Company, in good faith and upon consultation with outside counsel, believes an adverse determination in respect thereof to be unlikely; and

(f) Promptly upon the Paying Agent's reasonable request, such other relevant information (not otherwise required to be furnished under the Loan Papers) respecting the business affairs, assets, and liabilities of the Company and any of its Material Subsidiaries.

In the case of paragraphs (a), (b) and (c) above (other than the Financial Report Certificate), the Company may satisfy the reporting requirements in respect thereof by making the documents referred to therein available to the Banks on its website or posted on the Security and Exchange Commission's website at www.sec.gov. Notwithstanding the foregoing, the Company shall deliver hard copies of any such documents to any Bank that notifies the Company that such delivery is required by any Laws applicable to such Bank.

Section 6.11 Use of Proceeds. Proceeds advanced hereunder shall be used only as represented herein. The Company shall not request any Loan or Letter of Credit, and the Company shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Loan or Letter of Credit (a) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (b) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, to the extent such activities, businesses or transaction would be prohibited by Sanctions if conducted by a corporation incorporated in the United States or (c) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

Section 6.12 Pool Assets. The Company (i) will ensure that the Appraised Value of the Pool Assets shall satisfy the Collateral Coverage Test (based upon the most recent Appraisal delivered to the Paying Agent and the Banks pursuant to the provisions of Section 6.8), and (ii) will not (and will not permit any Wholly Owned Domestic Subsidiary to) convey, sell, lease, transfer or otherwise dispose of, whether voluntarily or involuntarily (it being understood that loss of property due to theft, destruction, confiscation, prohibition on use or similar event shall constitute a disposal for purposes of this covenant), or remove or substitute, any Pool Asset (or any engine included in the Pool Assets unless such engine is replaced by another working engine or engines of comparable value, assuming half-time condition) or agree to do any of the foregoing in respect of the Pool Assets at any future time, except that:

(a) so long as no Event of Default exists, the Company or any of its Wholly Owned Domestic Subsidiaries owning a Pool Asset may replace a Pool Asset with another asset of the Company or such Wholly Owned Domestic Subsidiary (or any other Wholly Owned Domestic Subsidiary) (and Schedule II shall be modified to reflect such replacement), provided that (A) such replacement shall be made on at least a dollar-for-dollar basis based upon (x) in the case of the asset being removed from the Pool Assets, the Appraised Value of such Pool Asset (as determined by the most recently delivered Appraisal with respect to such Pool Asset) and (y) in the case of the asset being added to the Pool Assets, the Appraised Value of such asset (as determined by an Appraisal performed at (or relatively contemporaneously with) the time of such replacement), and (B) prior to effecting the replacement, the Company shall have delivered an Officer's Certificate to the Paying Agent certifying compliance with this Section 6.12 and attaching to such certificate the Appraisal required by Section 6.8;

(b) so long as no Event of Default exists or would result therefrom, the Company or any of its Wholly Owned Domestic Subsidiaries owning a Pool Asset may remove an asset from the Pool Assets (and Schedule II shall be modified to reflect such removal), provided that (A) after giving effect to such removal, the Appraised Value of the remaining Pool Assets (as determined by an Appraisal of all Pool Assets performed at (or relatively contemporaneously with) the time of such removal) shall satisfy the Collateral Coverage Test, and (B) prior to effecting the removal, the Company shall have delivered an Officer's Certificate to the Paying Agent certifying that, and providing calculations demonstrating that, after giving effect to such removal, the Appraised Value of the Pool Assets shall satisfy the Collateral Coverage Test, and otherwise certifying compliance with this Section 6.12 and attaching to such certificate Appraisals of all Pool Assets obtained in connection with such removal; and

(c) in the event (x) that an Appraisal furnished pursuant to Section 6.8 discloses that the Collateral Coverage Test is not satisfied or (y) the Collateral Coverage Test is not satisfied following an involuntary disposal of any Pool Asset (or any engine included in the Pool Assets unless such engine is replaced by another working engine or engines of comparable value, assuming half-time condition) (whether by loss of property due to theft, destruction, confiscation, prohibition on use, any similar event or otherwise), based upon the most recent Appraisal of the Pool Assets (from which the appraised values of the Pool Assets which are the subject of the involuntary disposition shall be subtracted) furnished pursuant to Section 6.8, the Company shall within 60 days after the date of such Appraisal or involuntary disposal, as the case may be, designate additional assets as Pool Assets to the extent that, after giving effect to such designation, the Appraised Value of the Pool Assets, based on the most recently delivered Appraisal with respect to assets already constituting Pool Assets and based on an Appraisal performed at (or relatively contemporaneously with) the time of such addition with respect to assets being added to Pool Assets, shall satisfy the Collateral Coverage Test (and Schedule II shall be modified to reflect such addition), provided that (A) at the time of such addition, the Paying Agent and the Banks shall have received an Officer's Certificate certifying that the conditions set forth in this Section 6.12 shall have been satisfied after giving effect to such addition and attaching thereto such Appraisal, and (B) the asset being added shall constitute Specified Equipment.

Section 6.13 Restrictions on Liens. (a) The Company will not, nor will it permit any Subsidiary to, create, assume or suffer to exist any Lien upon or with respect to the Pool Assets, or enter into any arrangement with any Person that would materially negatively impact the value of any Pool Asset realizable by any third party or assign any right to receive the proceeds from the sale, transfer or disposition of any of the Pool Assets, or file or authorize the filing with respect to any of the Pool Assets of any financing statement naming the Company or any Subsidiary as debtor under the Uniform Commercial Code or any similar notice of Lien naming the Company or any Subsidiary as debtor under any similar recording or notice statute (including, without limitation, any filing under Title 49, United States Code, Section 44107), other than Permitted Liens affecting Pool Assets.

(b) The Company will not enter into or suffer to exist, and will not permit any of its Subsidiaries to enter into or suffer to exist, any agreement prohibiting or conditioning the creation or assumption of any first priority Lien upon any Pool Asset to secure Debt or other obligations of the Company or of any Subsidiary of the Company that holds Pool Assets.

Section 6.14 Mergers and Dissolutions. (a) The Company will not merge or consolidate with any other person unless:

(i) no Default or Event of Default has occurred and is continuing or would result therefrom;

(ii) the Company is the surviving corporation or, if otherwise, (x) such other Person or continuing corporation (the “Successor Company.”) is a corporation or other entity organized under the laws of a state of the United States and (y) such Successor Company is a U.S. certificated air carrier; and

(iii) in the case of a Successor Company, the Successor Company shall (A) execute, prior to or contemporaneously with the consummation of such transaction, such agreements, if any, as are in the reasonable opinion of the Paying Agent, necessary or advisable to evidence the assumption by the Successor Company of liability for all of the obligations of the Company hereunder and the other Loan Papers, and (B) cause to be delivered to the Paying Agent and the Banks such legal opinions (which may be from in-house counsel) as any of them may reasonably request in connection with the matters specified in the preceding clause (A) and (C) provide such information as each Bank or the Paying Agent reasonably requests in order to perform its “know your customer” due diligence with respect to the Successor Company.

Upon any consolidation or merger in accordance with this Section 6.14(a) in any case in which the Company is not the surviving corporation, the Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Agreement with the same effect as if such Successor Company had been named as the Company herein. No such consolidation or merger shall have the effect of releasing the Company or any Successor Company which shall theretofore have become successor to the Company in the manner prescribed in this Section 6.14(a) from its liability with respect to any Loan Paper to which it is a party.

(b) The Company will not liquidate, wind up, or dissolve itself (or suffer any liquidation or dissolution).

Section 6.15 Assignment. The Company will not assign or transfer any of its Rights, duties, or obligations under any of the Loan Papers to which it is a party.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

Section 7.1 Events of Default. Any one or more of the following events shall be “Events of Default” hereunder (which shall include by definition the expiration of any grace period with respect thereto), whether the same shall occur and be continuing for any reason whatsoever (and whether such occurrence shall be voluntary or involuntary or come about or be effected by operation of Law or otherwise):

(a) Payment of Obligation. Failure to pay any principal of any Loan or any Reimbursement Obligation when due whether at maturity, by declaration as authorized by this Agreement, or otherwise; or failure to pay, within five Business Days after the due date thereof, any interest on any Loan or any Reimbursement Obligation; or failure to pay, within five Business Days after the due date thereof, or if no due date therefor is herein specified within five Business Days after written demand therefor is given to the Company by the Paying Agent, any fee or other amount payable by the Company hereunder or under any of the other Loan Papers.

(b) Covenants. Default shall be made in the observance or performance of any other of the covenants, conditions, and agreements on the part of the Company (or in the case of Section 6.12, on the part of any Subsidiary having any Pool Assets) contained herein, or in any other Loan Papers and such default shall continue for a period of 30 days (or, in the case of Section 6.9, five Business Days) after the Paying Agent shall have given the Company notice thereof in writing.

(c) Debtor Relief. The Company or any Material Subsidiary shall file a voluntary petition in bankruptcy or a petition or answer seeking reorganization, arrangement, composition, liquidation, receivership, or similar relief under any Debtor Relief Law, or shall file a petition to take advantage of any Debtor Relief Law, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due, or shall fail generally to pay its debts as they become due, or shall consent to the appointment of any receiver, trustee, custodian or liquidator of it or all or a substantial part of its Property; or a proceeding or action shall be instituted or commenced against the Company or any Material Subsidiary seeking an order for relief or a reorganization, arrangement, composition, liquidation, receivership, or similar relief under any Debtor Relief Law or seeking the appointment, without the consent of the Company or any Material Subsidiary, of any receiver, trustee, custodian or liquidator of it or all or a substantial part of the Property of the Company or any Material Subsidiary and such proceeding or action shall remain undismissed or unstayed for a period of 90 days; or an order, decree, or judgment for an involuntary petition adjudicating the Company or any Subsidiary insolvent shall be entered by any court of competent jurisdiction and shall remain undismissed or unstayed for a period of 90 days.

(d) Payment of Judgments. The Company or any of its Material Subsidiaries fails to pay any judgment or order for the payment of money in excess of \$50,000,000 rendered against it or any of its assets (exclusive of judgment amounts fully covered by insurance where the insurer has admitted liability in respect thereof) and either (i) any enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) the same shall not be discharged (or provisions shall not be made for such discharge), or a stay of execution thereof shall not be procured, within 30 days from the date of entry thereof and the Company or the relevant Material Subsidiary shall not, within said period of 30 days, or such longer period during which execution of the same shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal.

(e) Default on Other Debt or Security. The Company or any Material Subsidiary shall (i) fail to pay any principal of or interest on any Debt (other than the Obligation) the principal or face amount of which exceeds \$50,000,000 when due (or, where permitted, within any applicable grace period), whether by scheduled maturity, required prepayment, acceleration, demand or otherwise and such default continues unremedied for five Business Days after such due date or applicable grace period, or (ii) fail to perform or observe any other provision (other than a provision that is substantially identical to a provision in this Agreement) contained in any agreement securing or relating to such Debt (or any other breach or default under such Debt agreement occurs) if the effect of such failure to perform or observe such other provisions (or breach or default) is to cause such Debt to become due prior to its stated maturity; provided, however, that if any such failure, breach or default shall be waived or cured (as evidenced by a writing from such holder or trustee) then, to the extent of such waiver or cure, the Event of Default hereunder by reason of such failure, breach or default shall be deemed likewise to have been thereupon waived or cured.

(f) ERISA. Any “Reportable Event” as such term is defined in ERISA under any Plan, or the appointment by an appropriate Tribunal of a trustee to administer any Plan, or the termination of any Plan within the meaning of Title IV of ERISA, and any of the foregoing results in a material liability to the Pension Benefit Guaranty Corporation; or any Plan fails to satisfy the “minimum funding standards” of ERISA or is determined to be in “at risk” status (within the meaning of ERISA).

(g) Misrepresentation. Any representation or warranty made by the Company is untrue in any material respect, or any certificate, schedule, statement, report, notice or writing (excluding any

Appraisal, for which the Company makes no representation) furnished by the Company to the Agents or to the Banks, or any of them, is untrue in any material respect on the date as of which the facts set forth are stated or certified, shall remain material at the time of discovery and shall, if curable, remain incorrect in any material respect after 30 days after written notice thereof to the Company (it being understood that any failure by the Company to include within any such schedule, statement, report, notice, or writing any information the omission of which would cause the material included to be misleading shall be as much an untruth as a false statement contained therein).

Section 7.2 Remedies Upon Default. If an Event of Default specified in **Section 7.1(c)** occurs, the Commitments of the Banks shall thereupon automatically terminate and the aggregate unpaid principal balance of and accrued interest on the Obligation shall thereupon become due and payable concurrently therewith, without any action by the Paying Agent or any Bank and without diligence, presentment, demand, protest, notice of protest or intent to accelerate, or notice of any other kind, all of which are hereby expressly waived. Except as set forth in the preceding sentence, should any other Event of Default occur and be continuing, the Paying Agent may, and if requested by the Majority Banks, shall, do any one or more of the following:

(a) **Acceleration.** Declare (by written notice to the Company) the entire unpaid balance of the Obligation, or any part thereof, immediately due and payable, whereupon it shall be due and payable, without diligence, presentment, demand, protest, notice of protest or intent to accelerate, or other notice of any kind (except any notice or demand specified in this Agreement), all of which are hereby expressly waived.

(b) **Termination.** Terminate the Commitments by written notice to the Company.

(c) **Judgment.** Reduce any claim to judgment.

(d) **Rights.** Exercise any and all legal and equitable Rights available to it.

With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this **Section 7.2**, the Company shall, upon any such acceleration, deposit in a cash collateral account opened by the Paying Agent an amount equal to the aggregate then undrawn and unexpired amount of such Letters of Credit. Amounts held in such cash collateral account shall be applied by the Paying Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other obligations of the Company hereunder and under the other Loan Papers. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of the Company hereunder and under the other Loan Papers shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Company (or such other Person as may be lawfully entitled thereto).

Section 7.3 Remedies in General. If any Event of Default shall occur and be continuing, the Paying Agent may immediately proceed to protect and enforce all or any Rights with respect thereto contained in this Agreement or any other Loan Papers or may enforce any other legal or equitable Rights. Any Right may be exercised from time to time, independently or concurrently, and as often as shall be deemed expedient. No waiver of any Event of Default shall extend to any subsequent Event of Default.

ARTICLE VIII

THE AGENTS

Section 8.1 Authorization and Action. Each Bank hereby irrevocably appoints and authorizes (a) JPMorgan Chase Bank, N.A. to act as its Paying Agent hereunder and under each of the other Loan Papers, (b) JPMorgan Chase Bank, N.A. and Citibank, N.A. to act as Co-Administrative Agents hereunder and under each of the other Loan Papers, (c) Barclays Bank PLC to act as Syndication Agent hereunder and (d) Bank of America, N.A., BNP Paribas, Goldman Sachs Bank USA, Morgan Stanley Senior Funding, Inc., U.S. Bank National Association and Wells Fargo Bank, N.A. to act as Documentation Agents hereunder. JPMorgan Chase Bank, N.A. consents to such appointment as Paying Agent and agrees to perform the duties of the Paying Agent hereunder and under the other Loan Papers. Each of JPMorgan Chase Bank, N.A. and Citibank, N.A. consents to its appointment as a Co-Administrative Agent, Barclays Bank PLC consents to its appointment as Syndication Agent and each of Bank of America, N.A., BNP Paribas, Goldman Sachs Bank USA, Morgan Stanley Senior Funding, Inc., U.S. Bank National Association and Wells Fargo Bank, N.A. consents to its appointment as Documentation Agent. Each Bank authorizes and directs the Paying Agent to act on its behalf and to exercise such powers under this Agreement as are specifically delegated to or required of such Agent by the terms hereto, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by this Agreement or the other Loan Papers (including, without limitation, enforcement or collection of the Loans or Notes), the Paying Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Majority Banks, and such instructions shall be binding upon all Banks and all holders of Loans or Notes; provided, however, that no Agent shall be required to take any action which exposes such Agent to personal liability or which is contrary to this Agreement or applicable Law.

Section 8.2 Agents' Reliance, Etc. None of the Agents and none of their respective Affiliates, directors, officers, agents, or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Papers (i) with the consent or at the request of the Majority Banks (or all the Banks, if required) or (ii) in the absence of its or their own gross negligence or willful misconduct (it being the express intention of the parties that the Agents and their respective directors, officers, agents, and employees shall have no liability for actions and omissions under this Section 8.2 resulting from their ordinary contributory negligence). Without limitation of the generality of the foregoing, each Agent (i) may treat the payee of each Loan or Note as the holder thereof until such Agent receives written notice of the assignment or transfer thereof signed by such payee and in form satisfactory to such Agent; (ii) may consult with legal counsel (including counsel for the Company), independent public accountants, and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants, or experts; (iii) makes no warranty or representation to any Bank and shall not be responsible to any Bank for any statements, warranties, or representations made by or on behalf of the Company in or in connection with any Loan Paper; (iv) except as otherwise expressly provided herein, shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants, or conditions of any Loan Paper or to inspect the property (including the books and records) of the Company or any of its Subsidiaries; (v) shall have no responsibility to ensure the satisfaction of any condition set forth in Article IV or elsewhere herein other than to confirm receipt of items expressly required to be delivered to the Paying Agent, (vi) shall not be responsible to any Bank for the due execution, legality, validity, enforceability, genuineness, sufficiency, or value of any Loan Paper or any other instrument or document furnished pursuant hereto or thereto; (vii) shall incur no liability under or in respect of any Loan Paper by acting upon any notice, consent, certificate, or other instrument or writing (which may be by telecopier or e-mail) reasonably believed by it to be genuine and signed or sent by the proper party or parties; and (viii) may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon.

Section 8.3 Rights of Agents as Banks. With respect to their Commitments, the Loans, if any, made by them and the Notes, if any, issued to them, each Bank that is an Agent (including any Agent that hereafter becomes a holder of a Loan or Note) and its Affiliates shall have the same rights and powers under this Agreement or any other Loan Paper as any other Bank and may exercise the same as though it were not an Agent; and the term “Bank” or “Banks” shall, unless otherwise expressly indicated, include each Bank that is an Agent (including any Agent that hereafter becomes a holder of a Loan or Note), in its individual capacity. Each Bank that is an Agent (including any Agent that hereafter becomes a holder of a Loan or Note) and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Company, any of the Subsidiaries and any Person who may do business with or own securities of the Company or of the Subsidiaries, all as if such Bank were not an Agent, and without any duty to account therefor to the Banks.

Section 8.4 Bank Credit Decision. Each Bank acknowledges and agrees that it has, independently and without reliance upon any of the Agents or any other Bank and based on the Current Financials and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Bank also acknowledges and agrees that it will, independently and without reliance upon any of the Agents or any other Bank and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

Section 8.5 Agents’ Indemnity. None of the Agents shall be required to take any action hereunder or to prosecute or defend any suit in respect of this Agreement or the Loans or Notes unless indemnified to such Agent’s satisfaction by the Banks against loss, cost, liability, and expense. If any indemnity furnished to such Agent shall become impaired, it may call for additional indemnity and cease to do the acts indemnified against until such additional indemnity is given. In addition, the Banks severally but not jointly agree to indemnify the Paying Agent (to the extent not reimbursed by the Company), ratably according to the respective principal amounts of the Committed Loans then held by each of them (or if no Committed Loans are at the time outstanding, ratably according to either (i) the respective amounts of their Commitments, or (ii) if the Commitments have terminated, the respective amounts of the Commitments immediately prior to such termination; provided that, in the case of Section 2.22, when a Defaulting Bank shall exist, any such Defaulting Bank’s Commitment shall be disregarded in the calculation), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of this Agreement or any action taken or omitted by such Agent under this Agreement or the other Loan Papers (including, without limitation, any action taken or omitted under Article II of this Agreement); provided that no Bank shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements resulting from such Agent’s fraud, gross negligence or willful misconduct. Each Bank agrees, however, that it expressly intends, under this Section 8.5, to indemnify each Agent ratably as aforesaid for all such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, and disbursements arising out of or resulting from such Agent’s ordinary or contributory negligence. Without limitation of the foregoing, each Bank agrees to reimburse the Paying Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including reasonable counsel fees) incurred by such Agent in connection with the preparation, execution, administration, or enforcement of, or legal advice in respect of rights or responsibilities under, this Agreement and the other Loan Papers to the extent that such Agent is not reimbursed for such expenses by the Company. The provisions of this Section 8.5 shall survive the termination of this Agreement and/or the payment or assignment of any of the Loans or Notes.

Section 8.6 Successor Paying Agent. The Paying Agent may resign at any time by giving written notice thereof to the Banks and the Company and may be removed as Paying Agent under this Agreement and the other Loan Papers at any time with or without cause by the Majority Banks. Upon any such resignation or removal, the Majority Banks shall have the right, with the consent, not to be unreasonably withheld or delayed, of the Company (provided that the Company's consent shall not be required during the continuance of a Default or an Event of Default), to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and shall have accepted such appointment within 30 calendar days after the retiring Paying Agent's giving notice of resignation or the Majority Banks' removal of the retiring Paying Agent, then the retiring Paying Agent may, on behalf of the Banks, with the consent, not to be unreasonably withheld or delayed, of the Company (provided that the Company's consent shall not be required during the continuance of a Default or Event of Default), appoint a successor Paying Agent, which shall be a commercial bank organized under the Laws of the United States of America or of any state thereof and having a combined capital and surplus of at least \$500,000,000. Upon the acceptance of any appointment as Paying Agent hereunder and under the other Loan Papers by a successor Paying Agent, such successor Paying Agent shall thereupon succeed to and become vested with all rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Papers. After any retiring Paying Agent's resignation or removal as the Paying Agent hereunder and under the other Loan Papers, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Paying Agent under this Agreement and the other Loan Papers.

Section 8.7 Notice of Default. The Paying Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Paying Agent shall have received written notice from a Bank or the Company referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." If the Paying Agent receives such a notice, the Paying Agent shall give notice thereof to the Banks; provided, however, if such notice is received from a Bank, the Paying Agent also shall give notice thereof to the Company. The Paying Agent shall be entitled to take action or refrain from taking action with respect to such Default or Event of Default as provided in Section 8.1 and Section 8.2.

Section 8.8 Co-Administrative Agents and Documentation Agent. The Co-Administrative Agents, the Syndication Agent and the Documentation Agents shall not have any duties or responsibilities hereunder in their capacities as such.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Amendments, Etc. Except as provided in Section 2.25, no amendment or waiver of any provision of this Agreement or any other Loan Paper, nor consent to any departure by the Company herefrom or therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Banks (or the Paying Agent with the consent of the Majority Banks) in all cases, and then, in any case, such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver, or consent shall, unless in writing and signed by each Bank directly affected thereby (or the Paying Agent with the consent of each Bank directly affected thereby), do any of the following: (a) increase the amount of the Commitments of any Banks or subject any Banks to any additional obligations, (b) reduce the principal

of, or rate or amount of interest applicable to, any Loan or participation in any Letter of Credit other than as provided in this Agreement, or any fees hereunder, (c) postpone any date fixed for any payment of principal of, or interest on, the Loans or any fees hereunder, (d) extend the expiration date of any Bank's Commitment, (e) eliminate or reduce the voting rights of any Bank under this Section 9.1, (f) amend Section 2.5(c) or Section 2.15 in any manner that would alter the pro rata sharing of payments or Commitment reductions required thereby or (g) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans, or the number of Banks, which shall be required for the Banks or any of them to take any action hereunder; provided, further, that no amendment waiver, or consent shall modify or waive any provision of Section 2.22, Article III or Section 4.3 without the written consent of each Issuing Bank; and provided, further, that no amendment, waiver, or consent shall, unless in writing and signed by the Paying Agent in addition to the Banks required above to take such action, affect the rights or duties of the Paying Agent under this Agreement or any other Loan Paper, or modify or waive any provision of Section 2.22.

Section 9.2 Notices, Etc. Any Agent, any Bank, or the holder of any Loan or Note giving consent or notice or making any request of the Company provided for hereunder, shall notify each Bank and the Paying Agent thereof. In the event that the holder of any Loan or Note (including any Bank) shall transfer such Loan or Note, it shall promptly so advise the Paying Agent which shall be entitled to assume conclusively that no transfer of any Loan or Note has been made by any holder (including any Bank) unless and until such Agent receives written notice to the contrary. (c) If to any Bank or any other Agent, as specified on Schedule I hereto or, in the case of any party, such other address or telecopy number as such party may hereafter specify for such purpose by notice to the other parties. All Communications shall, when mailed, telecopied, e-mailed or delivered, be effective and shall be deemed to have been duly given when sent by telecopier or e-mail to any party or the telecopier number or e-mail address, as applicable, as set forth herein or on the signature pages hereof (or other telecopy number or e-mail address designated by such party in a written notice to the other parties hereto), or five days after being mailed to the address as set forth herein (or such other address designated by such party in a written notice to the other parties hereto) respectively, or when delivered to such address; provided, however, Communications to any Agent pursuant to Article II or Article VIII shall not be effective until received by such Agent.

Section 9.3 No Waiver; Remedies. No failure on the part of any Bank or any Agent to exercise, and no delay in exercising, any Right hereunder or under any other Loan Paper shall operate as a waiver thereof; nor shall any single or partial exercise of any such Right, or any abandonment or discontinuance of any steps to enforce such Right, preclude any other or further exercise thereof or the exercise of any other Right. No notice to or demand on the Company in any case shall entitle the Company to any other or further notice or demand in similar or other circumstances. The Rights herein provided are cumulative and not exclusive of any Rights provided by Law.

Section 9.4 Costs, Expenses and Taxes. The Company agrees to pay or reimburse the Agents for paying: (i) all reasonable costs and expenses of the Agents in connection with (A) the preparation, execution, delivery, and administration of this Agreement and the other Loan Papers, including, without limitation, the reasonable fees and out-of-pocket expenses of counsel for the Agents with respect thereto and with respect to advising the Agents as to their respective Rights and responsibilities under this Agreement and the other Loan Papers, and (B) any amendment, modification, supplement, or waiver of any of the terms of this Agreement, and (ii) all reasonable costs and expenses of the Banks and the Agents (including reasonable counsel's fees, and including reasonable allocated in-house counsel fees for any Bank or any Agent) in connection with the enforcement of this Agreement and the other Loan Papers. In addition, the Company shall pay any and all Taxes payable or determined to be payable in connection with the execution and delivery of this Agreement and the other Loan Papers, and agrees to save the Agents and each Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omitting to pay such Taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of this Agreement or any other Loan Paper. The obligations of the Company under this Section 9.4 shall survive the termination of this Agreement and/or repayment of the Loans.

Section 9.5 Indemnity. The Company agrees to indemnify and hold harmless the Agents and the Banks and each of their respective Affiliates, officers, directors, employees, agents, advisors and representatives against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, deficiencies, expenses, and disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against any Agent, any Bank, or any of their respective Affiliates, officers, directors, employees, agents, advisors or other representatives in any way relating to or arising out of the Loan Papers, any transaction related hereto, or any act, omission, or transaction of the Company, its Subsidiaries, and Affiliates, or any of their employees, officers, directors or other representatives, to the extent that any of the same results, directly or indirectly, from any claims made or actions, suits, or proceedings commenced by or on behalf of any person other than an Agent or a Bank.

The obligation of the Company under this section shall continue for a period of one year after payment of the Obligation and termination of any or all Loan Papers, and **SHALL APPLY WHETHER OR NOT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES AND RELATED EXPENSES ARE IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY OR CAUSED, IN WHOLE OR IN PART BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY ANY AGENT OR ANY BANK;**

provided, however, that (i) although each indemnified party shall have the right to be indemnified from its own ordinary negligence, no indemnified party shall have the right to be indemnified hereunder for willful misconduct, gross negligence or bad faith to the extent found by a final, non-appealable judgment of a court of competent jurisdiction and (ii) the indemnity set forth in this Section 9.5 shall not apply to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, deficiencies, expenses or disbursements resulting from a proceeding that does not involve an act or omission by the Company or any of its affiliates and that is brought by an indemnified party against any other indemnified party (other than claims against any Agent in its capacity or in fulfilling its role as an Agent under the Loan Papers).

To the fullest extent permitted by applicable law, the Company shall not assert, and hereby waives, any claim against any indemnified party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Papers or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof.

Section 9.6 Right of Setoff. If any Event of Default shall have occurred and is continuing, each Bank and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Bank or Affiliate to or for the credit or the account of the Company against any and all obligations of the Company now or hereafter existing under this Agreement and the Loans held by such Bank or Affiliate, irrespective of whether or not such Bank or Affiliate shall have made any demand under this Agreement or any Note and although such obligations may be unmatured. Each Bank agrees promptly to notify the Company and the Paying Agent after any such setoff and application made by such Bank or Affiliate, but the failure to give such notice shall not affect the validity of such setoff and application. The Rights of each Bank under this Section 9.6 are in addition to the Rights and remedies (including, without limitation, other Rights of setoff) which such Bank may have.

SECTION 9.7 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 9.8 Submission To Jurisdiction; Waivers. The Company hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Papers to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the state and federal courts located in the City of New York, Borough of Manhattan, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Company, as the case may be at its address set forth in Section 9.2 or at such other address of which the Paying Agent shall have been notified pursuant thereto; and

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Section 9.9 Survival of Representations and Warranties. All representations and warranties contained herein or made in writing by the Company in connection herewith shall survive the execution and delivery of this Agreement and the other Loan Papers, and no investigation by any Agent or any Bank or any closing shall affect the representations and warranties or the Right of any Agent or any Bank to rely upon them.

Section 9.10 Binding Effect. This Agreement shall become effective when it shall have been executed by the Company, the Agents, and each Bank and thereafter shall be binding upon and inure to the benefit of the Company (subject to the provisions of Section 9.11), the Agents, each Bank and their respective successors and assigns.

Section 9.11 Successors and Assigns; Participations

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and permitted assigns of such party, and all covenants, promises, agreements, representations and warranties by or on behalf of the Company, the Agents or the Banks that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns. Except for any assignment or transfer by the Company of its rights and obligations under this Agreement to a Successor Company in accordance with Section 6.14, the Company may not assign or transfer any its rights or obligations hereunder without the prior written consent of all of the Banks.

(b) Each Bank may without the consent of the Company sell participations to one or more banks or other entities in all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the Loans owing to it and any Note or Notes held by it); provided, however, that (i) such Bank's obligations under this Agreement shall remain unchanged, (ii) such Bank shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Bank shall remain the holder of its Loans and Notes (if any) for all purposes of this Agreement, (iv) the participating banks or other entities shall be entitled to the cost protection provisions contained in Article II and Section 9.4, but only to the extent that such protection would have been available to such Bank, calculated as if no such participations had been sold, and the indemnity protection provisions contained in Section 9.5, (v) the Company, the Agents, and the other Banks shall continue to deal solely and directly with such Bank in connection with such Bank's rights and obligations under this Agreement, and (vi) such Bank shall not sell a participation that conveys to the participant the right to vote or give or withhold consents under this Agreement or any other Loan Papers,

other than the right to vote upon or consent to (y) amendments, modifications, or waivers with respect to any fees payable hereunder (including the dates fixed for the payment of any such fees) or the amount of principal or the rate of interest payable on, or the dates fixed for any payment of principal of or interest on, the Loans and (z) any extension of the Termination Date. Each Bank that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Company, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Bank shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that a Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Bank shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Each Bank may assign to one or more Persons (other than a natural person, a Defaulting Bank or the Company or any of its Affiliates), all or a portion of its interests, rights, and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the same portion of the Committed Loans at the time owing to it); provided, however, that (i) such assignment, if not to a Bank or an Eligible Affiliate Assignee of the assigning Bank, shall be consented to by the Company (which consent shall not be unreasonably withheld or delayed and shall not be required after the occurrence or during the continuance of a Default or Event of Default), the Paying Agent and each Issuing Bank (which consent shall not be unreasonably withheld or delayed), (ii) each Bank's Commitment (including Loans owing to it and its pro rata share of the L/C Obligations) to be assigned shall not be less than \$5,000,000 minus reductions pursuant to Section 2.5(a) unless (x) otherwise agreed by the Company and the Paying Agent, (y) in the case of the assigning Bank, such amount is reduced to zero pursuant to such assignment or (z) the assignment is to a Bank, (iii) each such assignment shall be of a constant, and not a varying, percentage of all the assigning Bank's rights and obligations under this Agreement, (iv) the assignee thereof shall deliver to the Company and the Paying Agent any Internal Revenue Service forms required by Section 2.18, and (v) the parties to each such assignment shall execute and deliver to the Paying Agent, for its acceptance and recording in the Register (as defined below), an Assignment and Assumption substantially in the form of Exhibit E hereto (an "Assignment and Assumption"), together with a properly completed Administrative Questionnaire, any Note or Notes subject to such assignment and a processing and recordation fee of \$3,500 (or such lesser amount as shall be acceptable to the Paying Agent); provided, however, no such fee shall be required in the case of any assignment requested by the Company pursuant to Article II of this Agreement. Upon such execution, delivery, acceptance, and recording, from and after the effective date specified in each Assignment and Assumption, which effective date shall be at least five Business Days after the execution thereof (unless a shorter period shall be agreed to by the Company, the Paying Agent, and the assignor Bank), (x) the assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Bank hereunder and under the other Loan Papers and (y) the assignor Bank thereunder shall, to the extent provided in such Assignment and Assumption, be released from its obligations under this Agreement and the other Loan Papers (and, in the case of an Assignment and Assumption covering all of the remaining portion of an assigning Bank's rights and obligations under this Agreement and the other Loan Papers, such Bank shall cease to be a party hereto and thereto).

(d) By executing and delivering an Assignment and Assumption, the Bank assignor thereunder and the assignee confirm to and agree with each other and the other parties hereto as follows: (i) other than the representations and warranties that (x) it is the legal and beneficial owner of the interest being assigned thereby, (y) the interest being assigned thereby is free and clear of any lien, encumbrance or other adverse claim and (z) it has full power and authority, and has taken all action necessary, to

execute and deliver such Assignment and Assumption and to consummate the transactions contemplated thereby, such Bank assignor makes no representation or warranty and assumes no responsibility with respect to any statements, warranties, or representations made in or in connection with this Agreement or any other Loan Paper or the execution, legality, validity, enforceability, genuineness, sufficiency, or value of this Agreement, any other Loan Paper or any other instrument or document furnished pursuant hereto; (ii) such Bank assignor makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Company or the performance or observance of its respective obligations under this Agreement, any other Loan Paper or any other instrument or document furnished pursuant hereto or thereto; (iii) such assignee confirms that it has received a copy of this Agreement together with copies of financial information and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption; (iv) such assignee will, independently and without reliance upon the Agents, such Bank assignor, or any other Bank and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee appoints and authorizes the Paying Agent to take such action on behalf of such assignee and to exercise such powers under this Agreement and the other Loan Papers as are delegated to each such Agent by the terms hereof and thereof, together with such powers as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Bank.

(e) The Paying Agent shall maintain at its office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Banks and the Commitment of, and principal amount of the Loans and L/C Obligations owing to, each Bank from time to time (the “Register”). The entries in the Register shall be conclusive, in the absence of manifest error, and the Company, the Agents, and the Banks may treat each Person whose name is recorded in the Register as a Bank hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Company, any Bank or the Paying Agent at any reasonable time and from time to time upon reasonable prior notice.

(f) Upon its receipt of an Assignment and Assumption executed by an assigning Bank and an assignee together with any Note or Notes subject to such assignment and the written consent to such assignment, the Paying Agent shall, if such Assignment and Assumption has been completed and is substantially in the form of Exhibit E hereto, (i) accept such Assignment and Assumption, (ii) record the information contained therein in the Register, and (iii) give prompt notice thereof to the Banks, the Paying Agent and the Company. Within five Business Days after receipt of such notice, the Company, at its own expense, shall execute and deliver to the Paying Agent in exchange for the surrendered Note or Notes, if any, (x) a new Note or Notes to the order of such assignee in an amount equal to its portion of the Commitment assumed by it pursuant to such Assignment and Assumption and (y) if the assigning Bank has retained any Commitment hereunder, new Notes to the order of the assigning Bank in an amount equal to the Commitment retained by it hereunder. Such new Notes shall be in an aggregate principal amount equal to the aggregate principal amount of such surrendered Notes. Such new Notes shall be dated the effective date of such Assignment and Assumption and shall otherwise be in substantially the form of Exhibit D-1 or D-2 as applicable, hereto. Cancelled Notes shall be returned to the Company.

(g) Notwithstanding any other provision herein, any Bank may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.11 (or in connection with any swap, derivative, securitization or credit insurance relating to the Company and its obligations), disclose to the assignee or participant or proposed assignee or participant (or to any direct, indirect, actual or prospective counterparty (and its advisor) to any such swap, derivative or securitization) any information relating to the Company and its Subsidiaries furnished to such Bank by or on behalf of the Company; provided, that prior to any such disclosure, each such assignee or participant

or proposed assignee or participant (or any such counterparty (and its advisor)) shall agree for the benefit of the Company to preserve the confidentiality of any confidential information relating to the Company received from such Bank.

(h) Notwithstanding any other provision set forth in this Agreement, any Bank may at any time create a security interest in all or any portion of its Rights under this Agreement (including, without limitation, the Loans owing to it and any Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board.

Section 9.12 Confidentiality. Each Agent, each Issuing Bank and each Bank agrees to keep confidential all Information (as defined below); provided that nothing herein shall prevent any Agent, any Issuing Bank or any Bank from disclosing any such Information (a) to any Agent, any Issuing Bank, any Bank or any affiliate thereof, (b) as permitted by Section 9.11(g), (c) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its affiliates in each case on a need-to-know basis, (d) upon the request or demand of any Governmental Authority, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Law, (f) if requested or required to do so in connection with any litigation or similar proceeding, (g) that has been publicly disclosed, (h) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Bank's investment portfolio in connection with ratings issued with respect to such Bank, (i) in connection with the exercise of any remedy hereunder or under any other Loan Paper, or (j) if agreed by the Company in its sole discretion, to any other Person. "Information" means all information received from the Company relating to the Company or its business, other than any such information that is available to the Agents, any Issuing Bank or any Bank on a non-confidential basis prior to disclosure by the Company and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that in the case of information received from the Company after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Bank acknowledges that information furnished to it pursuant to this Agreement or the other Loan Papers may include material non-public information concerning the Company and its Affiliates and their related parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Company or the Paying Agent pursuant to, or in the course of administering, this Agreement or the other Loan Papers will be syndicate-level information, which may contain material non-public information about the Company and its Affiliates and their related parties or their respective securities. Accordingly, each Bank represents to the Company and the Paying Agent that it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws.

Section 9.13 Independence of Covenants. All covenants contained in this Agreement shall be given independent effect so that if a particular action or condition is not permitted by any such covenants, the fact that such action or condition would be permitted by an exception to, or otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or Event of Default if such action is taken or condition exists.

Section 9.14 Severability. Should any clause, sentence, paragraph, or Section of this Agreement be judicially declared to be invalid, unenforceable, or void, such decision will not have the effect of invalidating or voiding the remainder of this Agreement, and the parties hereto agree that the part or parts of this Agreement so held to be invalid, unenforceable, or void will be deemed to have been stricken herefrom and the remainder will have the same force and effectiveness as if such part or parts had never been included herein.

Section 9.15 Integration. This Agreement and the other Loan Papers represent the entire agreement of the Company, the Paying Agent and the Banks with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Paying Agent or any Bank relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Papers.

Section 9.16 Descriptive Headings. The section headings appearing in this Agreement have been inserted for convenience only and shall be given no substantive meaning or significance whatever in construing the terms and provisions of this Agreement.

Section 9.17 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 9.18 **WAIVERS OF JURY TRIAL. THE COMPANY, THE PAYING AGENT AND THE BANKS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN PAPER AND FOR ANY COUNTERCLAIM THEREIN.**

Section 9.19 No Fiduciary Duty. The Paying Agent, each Bank and their Affiliates (collectively, solely for purposes of this paragraph, the “Banks”), may have economic interests that conflict with those of the Company, its stockholders and/or its affiliates. The Company agrees that nothing in the Loan Papers or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Bank, on the one hand, and the Company, its stockholders or its affiliates, on the other. The Company acknowledges and agrees that (i) the transactions contemplated by the Loan Papers (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Banks, on the one hand, and the Company, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Bank has assumed an advisory or fiduciary responsibility in favor of the Company, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Bank has advised, is currently advising or will advise the Company, its stockholders or its affiliates on other matters) or any other obligation to the Company except the obligations expressly set forth in the Loan Papers and (y) each Bank is acting solely as principal and not as the agent or fiduciary of the Company, its management, stockholders, creditors or any other Person. The Company acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Company agrees that it will not claim that any Bank has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to it, in connection with such transaction or the process leading thereto.

Section 9.20 USA Patriot Act. Each Bank hereby notifies the Company that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies each borrower, guarantor or grantor (the “Loan Parties”), which information includes the name and address of each Loan Party and other information that will allow such Bank to identify such Loan Party in accordance with the Patriot Act. The Company agrees to provide such information as each Bank or the Paying Agent reasonably requests in order to perform its “know your customer” due diligence.

Section 9.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Paper or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Paper may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Paper; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 9.22 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Bank holding such Loan in accordance with applicable law, the rate of interest payable to such Bank in respect of such Loan hereunder, together with all Charges payable to such Bank in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable to such Bank in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Bank in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Bank.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

RE: Loans to Southwest Airlines Co.

Ladies and Gentlemen:

This opinion is furnished pursuant to Section 4.1(b)(iv) of the \$1,000,000,000 Revolving Credit Facility Agreement dated as of August 3, 2016 (the "Credit Agreement"), among Southwest Airlines Co. (the "Company"), the Banks parties thereto, JPMorgan Chase Bank, N.A., as Paying Agent, Citibank, N.A. and JPMorgan Chase Bank, N.A., as Co-Administrative Agents, Bank of America, N.A., BNP Paribas, Goldman Sachs Bank USA, Morgan Stanley Bank, N.A., U.S. Bank National Association and Wells Fargo Bank, N.A., as Documentation Agents, and Barclays Bank PLC, as Syndication Agent. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

I am General Counsel of the Company and solely in such capacity have examined, either personally or through attorneys under my supervision, originals, or copies certified to my satisfaction, of the Credit Agreement, each Note executed on or as of the date hereof, if any (collectively, the "Notes") and such other corporate records, certificates of corporate officials as to certain matters of fact, and instruments and documents as I have deemed necessary or advisable as a basis for the opinions set forth herein.

In such examination, I have assumed (i) the genuineness of all signatures (other than the signatures of Persons signing on behalf of the Company), the authenticity and completeness of all documents, certificates, instruments and records submitted to me as originals and the conformity to the original instruments of all documents submitted to me as copies, and the authenticity and completeness of the originals of such copies, (ii) the due authorization, execution and delivery by each of the Agents and the Banks of the Credit Agreement, (iii) that each of the Agents and the Banks has all requisite power and authority to execute, deliver and perform the Credit Agreement and (iv) the enforceability of the Credit Agreement against each of the Agents and the Banks.

In addition, in rendering this opinion, I have relied upon, as to certain matters of fact, certificates of officers of the Company and certificates of public officials, without any independent investigation of such matters.

Based upon the foregoing, and relying upon the correctness of all statements of fact contained in the documents, certificates and records that I have examined either personally or through attorneys under my supervision, I am of the opinion that:

1. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation, and is duly qualified to do business in each jurisdiction in which the character or location of its properties or the nature or conduct of its business makes such qualification necessary, except for those jurisdictions where the failure to be so qualified would not have a material adverse effect on the consolidated financial condition of the Company and its Subsidiaries, taken as a whole. The Company has the corporate power to own its properties and to carry on its businesses as now conducted.
2. The execution, delivery and performance by the Company of the Credit Agreement and the Notes are within its corporate powers, have been duly authorized by all necessary corporate action, and do not conflict with or constitute a default under (i) any law, rule, regulation, order or judgment known to me or contractual restriction of the Company known to me, the violation of which would have a Material Adverse Effect, or (ii) the Restated Certificate of Formation or the Amended and Restated Bylaws of the Company.
3. No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required by the laws of the State of Texas, or the federal laws of the United States of America for the due execution, delivery and performance by the Company of the Credit Agreement other than routine filings of copies of the Credit Agreement and the Notes with the Securities and Exchange Commission.
4. To my knowledge, except as set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, and the Company's subsequent quarterly reports on Form 10-Q for the quarters ended March 31, 2016, and June 30, 2016, there are no legal or governmental proceedings or investigations pending or threatened against the Company or any Subsidiary or any property of the Company or any Subsidiary which individually or, to the extent involving related claims, in the aggregate, involve a material risk of a material adverse effect on (i) the financial condition of the Company and its Subsidiaries considered as a whole, or (ii) the ability of the Company to perform its obligations under the Credit Agreement or the Notes.

This opinion is for the sole benefit of the Agents and the Banks and may not be relied upon by any other Person without the express prior written consent of the undersigned.

I am licensed to practice law only in the State of Texas and I express no opinion as to matters not governed by the laws of the United States of America or the laws of the State of Texas (except for the usury laws and choice-of-laws provisions of the State of Texas, as to which I express no opinion).

Very truly yours,

**Re: Southwest Airlines Co. \$1,000,000,000
Revolving Credit Facility**

Ladies and Gentlemen:

This opinion is furnished pursuant to Section 4.1(b)(iv) of the \$1,000,000,000 Revolving Credit Facility Agreement dated as of August 3, 2016 (the "Credit Agreement"), among Southwest Airlines Co. (the "Company"), the Banks parties thereto, JPMorgan Chase Bank, N.A., as Paying Agent, Citibank, N.A. and JPMorgan Chase Bank, N.A., as Co-Administrative Agents, Bank of America, N.A., BNP Paribas, Goldman Sachs Bank USA, Morgan Stanley Bank, N.A., U.S. Bank National Association and Wells Fargo Bank, N.A., as Documentation Agents, and Barclays Bank PLC, as Syndication Agent. For convenience of reference, terms defined in the Credit Agreement are used herein with the same meanings.

We have acted as special New York counsel of the Company in connection with the negotiation, documentation and consummation of the financing as contemplated by the Credit Agreement, and in this connection, we have examined, among other things, the following documents:

- (i) an executed copy of the Credit Agreement; and
- (ii) an executed copy of each Note executed on or as of the date hereof, if any (collectively, the "Notes").

We have also reviewed such other documents and certificates and such matters of law as we have considered relevant hereto. We have assumed, for purposes of our opinion hereinafter set forth (i) that each of the Credit Agreement and the Notes has been duly authorized, executed and delivered by each of the parties thereto and that, except as expressly made the subject of our opinions in paragraphs (a) and (b) below, each of the Credit Agreement and the Notes constitutes the legal, valid, binding and enforceable obligation of each of the parties thereto. As to any other facts material to our opinions expressed herein, we have relied upon the representations and warranties contained in the Credit Agreement and related

documents and certificates and upon originals or copies, certified or otherwise identified to our satisfaction, of such corporate records, documents, certificates and other instruments as in our judgment are necessary or appropriate to enable us to render this opinion. We have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with the authentic originals of all documents submitted to us as copies.

Based upon and subject to the foregoing and having regard to legal considerations which we deem relevant, and subject to the comments and qualifications set forth below, we are of the opinion that:

- (a) the Credit Agreement constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms; and
- (b) the Notes delivered today (assuming execution and delivery thereof for value) constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms;

except that no opinion is expressed herein as to (A) whether a court outside of the State of New York would give effect to the choice of New York law provided for in the Credit Agreement or the Notes, (B) any provision in any of the Credit Agreement or the Notes relating to the severability of provisions in such documents, (C) any provision of any of the Credit Agreement or the Notes that requires any amendment or waiver thereof to be in writing, (D) the effect of any provision of the Credit Agreement imposing penalties or forfeitures, (E) Section 2.16 of the Credit Agreement, (F) Section 9.8 of the Credit Agreement insofar as it relates to submission to the jurisdiction of United States Federal Courts or (G) Section 9.18 of the Credit Agreement. Further, we wish to point out that provisions of any Note or the Credit Agreement that permit any party thereto to make determinations or to take actions may be subject to a requirement that such determinations be made, and that such actions be taken, on a reasonable basis in good faith.

The opinions above are subject to:

- (i) the application of general principles of equity (regardless of whether considered in a proceeding of equity or at law), including, without limitation, (x) the possible unavailability of specific performance, injunctive relief or any other equitable remedy and (y) concepts of materiality, reasonableness, good faith and fair dealing;
- (ii) all applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or similar laws, decrees or regulations affecting the enforcement of creditors' rights generally; and
- (iii) with respect to indemnity provisions contained in the Credit Agreement, limitations based upon public policy considerations.

We are members of the bar of the State of New York and we do not herein express any opinion as to matters governed by any laws other than the law of the State of New York and the Federal law of the United States of America. Further, we express no opinion as to the Company's interest in any Pool Assets or any security interest, or grant thereof, in any property.

Very truly yours,

Re: \$1,000,000,000 Revolving Credit Facility Agreement
(the "Credit Agreement"), dated as of August 3, 2016, among
Southwest Airlines Co. (the "Company"), JPMorgan Chase Bank, N.A. and Citibank, N.A., as Co-Administrative Agents, Barclays Bank PLC,
as Syndication Agent, Bank of America, N.A.,
BNP Paribas, Goldman Sachs Bank USA, Morgan Stanley Senior Funding, Inc., U.S. Bank National Association and Wells Fargo Bank, N.A.,
as Documentation Agents, the lending institutions identified in the Credit Agreement (the "Banks") and the Paying Agent.

JPMorgan Chase Bank, N.A., as Paying
Agent under the Credit Agreement, as
hereinafter defined (the "Paying
Agent")

The Banks listed on Schedule I hereto which
are parties to the Credit Agreement on
the date hereof

Ladies and Gentlemen:

We have acted as counsel to the Paying Agent in connection with the preparation, execution and delivery of the Credit Agreement.

Unless otherwise indicated, capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Credit Agreement. This opinion letter is
furnished to you pursuant to Section 4.1(b)(iv) of the Credit Agreement.

In connection with this opinion, we have examined the Credit Agreement, signed by the Company, the Paying Agent and certain of the Banks.

In addition, we have examined, and have relied as to matters of fact upon, the documents delivered to you at the closing, and upon originals, or duplicates or certified or
conformed copies, of such corporate records, agreements, documents and other instruments and such certificates or comparable documents of public officials and of officers
and representatives of the Company and have made such other investigations, as we have deemed relevant and necessary in connection with the opinions hereinafter set forth.
In such examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the
conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies, and the authenticity of the originals of such latter documents.
In addition, we have examined, and have relied as to matters of fact, upon the representations made in the Credit Agreement.

In rendering the opinion set forth below we have assumed that (1) the Credit Agreement is a valid and legally binding obligation of each party thereto (other than the
Company), (2) the Company is validly existing and in good standing under the laws of its jurisdiction of organization and has duly authorized,

executed and delivered the Credit Agreement in accordance with its Articles of Incorporation and By-Laws, (3) execution, delivery and performance by the Company of the Credit Agreement do not violate the laws of the State of Texas or any other applicable laws, (4) execution, delivery and performance by the Company of the Credit Agreement do not constitute a breach or violation of any agreement or instrument which is binding upon the Company and (5) the Company is not an “investment company” within the meaning of, and subject to regulation under, the Investment Company Act of 1940, as amended.

Based upon the foregoing, and subject to the assumptions, qualifications and limitations set forth herein, we are of the opinion that the Credit Agreement constitutes the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms.

Our opinion set forth above is subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law) and (iii) an implied covenant of good faith and fair dealing.

We express no opinion with respect to:

- (A) the effect of any provision of the Credit Agreement that is intended to permit modification thereof only by means of an agreement in writing signed by the parties thereto;
- (B) the effect of any provision of the Credit Agreement insofar as it provides that any Person purchasing a participation from a Bank or other Person may exercise set-off or similar rights with respect to such participation or that any Bank or other Person may exercise set-off or similar rights other than in accordance with applicable law;
- (C) the effect of any provision of the Credit Agreement imposing penalties or forfeitures;
- (D) the effect of any provision of the Credit Agreement to the extent that such provision constitutes a waiver of illegality as a defense to the performance of contract obligations; and
- (E) the effect of any provision of the Credit Agreement relating to indemnification or exculpation in connection with violations of any securities laws or relating to indemnification, contribution or exculpation in connection with willful, reckless or criminal acts or gross negligence of the indemnified or exculpated Person or the Person receiving contribution.

In connection with the provisions of the Credit Agreement whereby the Company submits to the jurisdiction of the courts of the United States of America located in the City of New York, Borough of Manhattan, we note the limitations of 28 U.S.C. Sections 1331 and 1332 on subject matter jurisdiction of the federal courts. In connection with the provisions of the Credit Agreement that relate to forum selection (including, without limitation, any waiver of any objection to venue or any objection that a court is an inconvenient forum), we note that under NYCPLR Section 510 a New York state court may have discretion to transfer the place of trial, and under 28 U.S.C. Section 1404(a) a United States district court has discretion to transfer an action from one federal court to another.

With respect to matters of Texas law, we understand that you are relying on the opinion of the Company’s internal counsel dated the date hereof.

We do not express any opinion herein concerning any law other than the law of the State of New York.

This opinion letter is rendered to you in connection with the above described transactions. This opinion letter may not be relied upon by you for any other purpose, or relied upon by, or furnished to, any other person, firm or corporation without our prior written consent.

Very truly yours,
