As the Representatives of the several Underwriters

Ladies and Gentlemen:

Southwest Airlines Co., a Texas corporation (the “Company”), proposes to issue and sell to the underwriters named in Schedule I hereto \$500,000,000 aggregate principal amount of its 2.625% Notes due 2030 (the “Notes”) on the terms and conditions stated herein. The Notes will be issued under an indenture dated as of September 17, 2004 (the “Indenture”) between the Company and Wells Fargo Bank, National Association, as Trustee. As used herein, unless the context otherwise requires, the term “Underwriters” shall mean the firms named as Underwriters in Schedule I, and the terms “you” or “Representatives” shall mean Barclays Capital Inc., Citigroup Global Markets Inc. and U.S. Bancorp Investments, Inc. Terms not otherwise defined herein shall have the meanings specified in the Indenture. For purposes hereof, the term “Operative Agreements” shall mean, collectively, this Agreement, the Indenture and the Notes.

The Company understands that the Underwriters propose to make a public offering of the Notes as soon as the Underwriters deem advisable after this Agreement has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the “Commission”) a registration statement on Form S-3 (No. 333-222963), including the related preliminary prospectus or prospectuses, which registration statement automatically became effective upon filing on February 9, 2018, and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the “1939 Act”). Such registration statement covers the registration of debt securities of the Company, including the Notes, under the Securities Act of 1933, as amended (the “1933 Act”). Promptly after execution and delivery of this Agreement,

the Company will prepare and file a prospectus in accordance with the provisions of paragraph (b) of Rule 424 (“Rule 424(b)”) of the rules and regulations of the Commission (the “1933 Act Regulations”) under the 1933 Act. Such registration statement as amended to the date of this Agreement, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A or Rule 430B under the 1933 Act and the documents incorporated therein pursuant to Part I, Item 12 of Form S-3 as of its most recent effective date, is hereinafter referred to as the “Registration Statement,” and the related base prospectus in the form first used to confirm sales of the Notes (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the 1933 Act), including the documents incorporated therein pursuant to Part I, Item 12 of Form S-3 as of such date, is hereinafter referred to as the “Base Prospectus.” The Base Prospectus, as supplemented by the prospectus supplement specifically relating to the Notes in the form first used to confirm sales of the Notes (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the 1933 Act), including the documents incorporated therein pursuant to Part I, Item 12 of Form S-3 as of such date of such prospectus or prospectus supplement, is hereinafter referred to as the “Prospectus,” and the term “preliminary prospectus” means any preliminary form of the Prospectus.

For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“EDGAR”).

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any preliminary prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by the 1933 Act Regulations to be a part of or included in the Registration Statement, any preliminary prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any preliminary prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), which is incorporated by reference in or otherwise deemed by the 1933 Act Regulations to be a part of or included in the Registration Statement, such preliminary prospectus or the Prospectus, as the case may be.

1. Representations and Warranties. (a) The Company represents and warrants to each Underwriter as of the date hereof and agrees with each Underwriter that:

(i) The Company has been duly organized and is validly existing as a corporation, in good standing under the laws of the jurisdiction of its organization and has the corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Registration Statement, the General Disclosure Package (as defined below) and the Prospectus; the Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of

property or the conduct of business, except where those failures to so qualify, individually or in the aggregate, would not have a material adverse effect on the business, properties, financial condition, results of operations or prospects of the Company and its consolidated subsidiaries taken as a whole or the ability of the Company to perform its obligations under, and consummate the transactions contemplated by, this Agreement, the Indenture and the Notes (a “Material Adverse Effect”); none of the subsidiaries of the Company is a “significant subsidiary” (as defined in Rule 1-02 of Regulation S-X).

(ii) The Company is a well-known seasoned issuer (as defined in Rule 405 of the 1933 Act Regulations) eligible to use the Registration Statement as an automatic shelf registration statement and the Company has not received notice that the Commission objects to the use of the Registration Statement as an automatic shelf registration statement. At the time of first filing of the Registration Statement, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Notes and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405 of the 1933 Act Regulations in connection with the offering pursuant to Rules 164, 405 and 433 of the 1933 Act Regulations. The Registration Statement has become effective; no stop order suspending the effectiveness of the Registration Statement has been issued, and, to the Company’s knowledge, no proceedings for that purpose have been initiated or threatened by the Commission and any request on the part of the Commission for additional information has been complied with.

At the respective times the first filing of the Registration Statement and each amendment thereto became effective, at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations and at the Closing Time (as defined below), the Registration Statement complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations, and the 1939 Act and the rules and regulations of the Commission thereunder and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

Neither the Prospectus nor any amendments or supplements thereto, as of its date, at the time the Prospectus or any such amendment or supplement is first filed in accordance with Rule 424(b), and at the Closing Time, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Each preliminary prospectus (including the prospectus or prospectuses filed as part of the first filing of the Registration Statement or any amendment thereto) complied when so filed in all material respects with the 1933 Act Regulations (after taking into account the information permitted to be omitted pursuant to Rules 430B and 430C of the 1933 Act Regulations, as applicable) and each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

As of the Applicable Time (as defined below), none of (x) the Issuer General Use Free Writing Prospectus(es) (as defined below) issued as of or prior to the Applicable Time, the Statutory Prospectus (as defined below) and the Final Term Sheet (as defined below), all considered together (collectively, the “General Disclosure Package”) or (y) when considered with the General Disclosure Package (i) any individual Issuer Limited Use Free Writing Prospectus or (ii) any “bona fide electronic roadshow” as defined in Rule 433(b)(5) under the 1933 Act Regulations or additional written communication listed on Schedule IV (collectively, “Company Additional Written Communication”), included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Any Issuer Free Writing Prospectus that the Company is required to file pursuant to Rule 433(d) of the 1933 Act Regulations has been, or will be, filed with the Commission in accordance with the requirements of the 1933 Act and the 1933 Act Regulations. Each Issuer Free Writing Prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the 1933 Act Regulations or that was prepared by or on behalf of or used or referred to by the Company complies or will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations. Except for the Issuer Free Writing Prospectuses, if any, identified in Schedule III hereto, and Company Additional Written Communications, if any, identified in Schedule IV, the Company has not prepared, used or referred to, and will not, without your prior consent, prepare, use or refer to, any Issuer Free Writing Prospectus.

As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means 4:30 p.m. (Eastern time) on February 5, 2020 or such other time as agreed by the Company and the Representatives.

“Final Term Sheet” means the pricing term sheet attached hereto as Schedule II.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the 1933 Act Regulations (“Rule 433”), relating to the Notes.

“Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule III hereto.

“Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

“Statutory Prospectus” means the Base Prospectus, as supplemented immediately prior to the Applicable Time including any document incorporated by reference therein as of the date of such supplement.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Notes or until any earlier date that the issuer notified or notifies the Representatives as described in Section 5(e), did not, does not and will not include any information that conflicted, conflicts or will

conflict with the information contained in the Registration Statement, any preliminary prospectus relating to the Notes, the Statutory Prospectus, the General Disclosure Package or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this Section 1(a)(ii) shall not apply to (a) Underwriter Information (as defined below) or (b) to that part of the Registration Statement which constitutes the Trustee's Statement of Eligibility and Qualification under the 1939 Act (Form T-1).

(iii) The documents incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the 1934 Act and the rules and regulations promulgated thereunder (the "1934 Act Regulations"), and, when read together and with the other information in the Prospectus and the General Disclosure Package, at the time the Registration Statement and any amendments thereto became effective, at the time the Prospectus was first filed with the Commission in accordance with Rule 424(b), at the Applicable Time and at the Closing Time, did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were or are made, not misleading.

(iv) The consolidated financial statements of the Company included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus present fairly in all material respects the consolidated financial position of the Company and its subsidiaries as of the dates indicated and the results of operations, changes in stockholders' equity and cash flows of the Company and its subsidiaries, for the respective periods covered thereby, all in conformity with generally accepted accounting principles applied, except as stated therein, on a consistent basis throughout the entire period involved; and the financial schedules included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus meet the requirements of the 1933 Act Regulations or the 1934 Act Regulations, as applicable, and fairly present the information required to be shown therein. The selected consolidated financial data incorporated by reference in the Prospectus present fairly the information shown therein and have been compiled on a basis consistent with that of the audited consolidated financial statements incorporated by reference in the Registration Statement and the Prospectus.

(v) Except as stated in or contemplated by the General Disclosure Package or the Prospectus, subsequent to the date of the most recent financial statements included or incorporated in the General Disclosure Package and the Prospectus, there has not been any material adverse change, or any development involving a prospective material adverse change, in the business, properties, financial condition, results of operations or prospects of the Company and its consolidated subsidiaries taken as a whole (a "Material Adverse Change").

(vi) The Company is a “citizen of the United States” within the meaning of Section 40102(a)(15)(C) of Title 49, U.S.C. and is the holder of an “air carrier operating certificate” issued by the Federal Aviation Administration pursuant to Section 44705 of Title 49, U.S.C. for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo, which covers all of the Company’s airline operations.

(vii) This Agreement has been duly authorized, executed and delivered by the Company.

(viii) The Indenture has been duly authorized, executed and delivered by the Company and, assuming the due authorization, execution and delivery thereof by the Trustee, is a valid and binding agreement of, the Company, enforceable against the Company in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors’ rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law). The Indenture has been duly qualified under the 1939 Act.

(ix) The Notes have been duly authorized by the Company and when duly authenticated by the Trustee and executed and delivered in the manner provided for in the Indenture and sold and paid for as provided in this Agreement, the Notes will be legally and validly executed, issued and delivered and will be valid and binding obligations of the Company entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors’ rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

(x) The execution, delivery and performance of the Operative Agreements and the consummation of the transactions contemplated herein and in the General Disclosure Package and the Prospectus and compliance by the Company with its obligations hereunder and thereunder do not and will not conflict with or result in a breach of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any assets or properties of the Company or any of its subsidiaries pursuant to, any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which it or any of them may be bound or to which any of the assets or properties of the Company or any of its subsidiaries is subject, the result of which could reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, nor will such action result in any violation of (a) the provisions of the restated certificate of formation or bylaws of the Company or similar organizational documents of any of its subsidiaries or (b) any applicable law or statute or any order, rule, regulation or judgment of any court or governmental agency or body having jurisdiction

over the Company or any of its subsidiaries or any of their assets, properties or operations, except, with respect to (b) above, for any such violations that could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(xi) No authorization, approval, consent, order or license of or filing with or notice to any government, governmental instrumentality or court, domestic or foreign, is required on behalf of the Company or any of its subsidiaries for (a) the valid authorization, issuance, sale and delivery of the Notes, (b) the valid authorization, execution, delivery and performance by the Company of the Operative Agreements, or (c) the consummation by the Company of the transactions contemplated by the Operative Agreements, except such as are required under the 1933 Act, the 1934 Act, the 1939 Act and the securities or blue sky or similar laws of the various states and of foreign jurisdictions.

(xii) Except as disclosed in the General Disclosure Package or the Prospectus, there is no action, suit or proceeding before or by any governmental agency or body or court, domestic or foreign, now pending or, to the knowledge of the Company, threatened against the Company or any of its subsidiaries or any of their respective properties that individually (or in the aggregate in the case of any class of related lawsuits), could reasonably be expected to, individually or in the aggregate, result in a Material Adverse Effect or that could reasonably be expected to, individually or in the aggregate, materially and adversely affect the consummation of the transactions contemplated by this Agreement or the other Operative Agreements.

(xiii) Except as disclosed in the General Disclosure Package or the Prospectus, no union contract dispute respecting the employees of the Company or any subsidiary exists or, to the knowledge of the Company, is imminent that, in either case, could reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

(xiv) Each of the Company and its subsidiaries has all necessary consents, authorizations, approvals, orders, certificates and permits of and from, and has made all declarations and filings with, all federal, state, local and other governmental authorities, all self-regulatory organizations and all courts and other tribunals, and is in compliance with all statutes and regulations as required, to own, lease, license and use its properties and assets and to conduct its business in the manner described in the General Disclosure Package and the Prospectus, except to the extent that the failure to so obtain, declare, file or comply would not, individually or in the aggregate, have a Material Adverse Effect.

(xv) Except as disclosed in the General Disclosure Package or the Prospectus, (a) to the knowledge of the Company, neither the Company nor any of its subsidiaries is in violation of any statute, rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the protection of human health and safety, the environment or the use, disposal or release of hazardous or toxic substances or wastes, pollutants or contaminants (collectively, "environmental laws"), owns or operates any real property contaminated with any substance that is subject to any environmental

laws, or is subject to any claim relating to any environmental laws, which violation, contamination, liability or claim, individually or in the aggregate, is reasonably expected to have a Material Adverse Effect, and (b) the Company is not aware of any pending investigations which might lead to such claim or claims that could reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

(xvi) There are no costs or liabilities associated with environmental laws (including, without limitation, any capital or operating expenditures required for clean up, closure of properties or compliance with environmental laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) which would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

(xvii) Except as disclosed in the General Disclosure Package or the Prospectus, neither the Company nor any of its subsidiaries is in violation of its articles of incorporation, bylaws, certificate of formation or operative agreement, as applicable, or in default (nor has any event occurred which with notice or lapse of time or both would constitute a default or acceleration) in the performance of any obligation, agreement or condition contained in any indenture, mortgage, loan agreement, bond, debenture, note agreement or other evidence of indebtedness, lease, contract or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which any of them or their respective properties is bound or affected and none of the Company or any of its subsidiaries is in violation of any judgment, ruling, decree, order, franchise, license or permit or any statute, rule or regulation applicable to the business or properties of any of the Company or any of its subsidiaries, except for such violations or defaults which do not, individually or in the aggregate, have a Material Adverse Effect.

(xviii) Except as otherwise disclosed or incorporated in the General Disclosure Package and the Prospectus, each of the Company and its subsidiaries have insurance of the types and in the amounts as are generally deemed adequate and customary for their businesses including, but not limited to, policies covering their respective business, assets, employees, officers and directors. The Company has no reason to believe that it or any subsidiary will not be able (i) to renew its existing insurance coverage as and when such policies expire or (ii) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted, except to the extent that would not result in a Material Adverse Change.

(xix) Ernst & Young LLP, who have expressed their opinion with respect to the financial statements (which term as used in this Agreement includes the related notes thereto) filed with the Commission as a part of the Registration Statement and included in the General Disclosure Package and the Prospectus, are, to the knowledge of the Company, an independent registered public accounting firm with the Public Company Accounting Oversight Board.

(xx) The Company is not an “investment company,” or an entity “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended (the “Investment Company Act”) required to register under the

Investment Company Act; and after giving effect to the offering and sale of the Notes and the application of the proceeds thereof as described in the General Disclosure Package and the Prospectus, the Company will not be an “investment company,” or an entity “controlled” by an “investment company,” as defined in the Investment Company Act, required to register under the Investment Company Act.

(xxi) This Agreement and the other Operative Agreements will, upon execution and delivery thereof, conform in all material respects to the descriptions thereof contained in the General Disclosure Package and the Prospectus.

(xxii) Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, since the end of the Company’s most recent audited fiscal year, (i) the Company has not been advised of (A) any significant deficiencies in the design or operation of internal controls that are reasonably likely to adversely affect the ability of the Company to record, process, summarize and report financial data, or any material weaknesses in internal controls (whether or not remediated) and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in the internal controls of the Company, and (ii) there have been no changes in internal controls that have materially affected, or are reasonably likely to materially affect, internal controls, including any corrective actions with regard to significant deficiencies and material weaknesses.

(xxiii) Except as may be set forth in the Registration Statement, the General Disclosure Package and the Prospectus, the Company maintains required “disclosure controls and procedures” (as defined in Rules 13a-15(e) and 15d-15(e) under the 1934 Act) and the Company’s “disclosure controls and procedures” are designed to reasonably ensure that material information (both financial and non-financial) required to be disclosed by the Company in the reports that it files or furnishes under the 1934 Act is communicated to the Company’s management as appropriate to allow timely decisions regarding required disclosure and to make the certifications of the Chief Executive Officer and Chief Financial Officer of the Company required under the 1934 Act with respect to such reports.

(xxiv) Neither the Company nor any of its subsidiaries, nor any director, officer, or employee of the Company or any of its subsidiaries nor, to the knowledge of the Company, any agent, affiliate or other person associated with or acting on behalf of the Company or any of its subsidiaries has (a) used any funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (b) made or taken an act in furtherance of an offer, promise or authorization of any direct or indirect unlawful payment or benefit to any foreign or domestic government or regulatory official or employee, including of any government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office; (c) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended, or any applicable law or regulation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, or committed an offence under the Bribery Act 2010 of the United

Kingdom, or any other applicable anti-bribery or anti-corruption laws; or (d) made, offered, agreed, requested or taken an act in furtherance of any unlawful bribe or other unlawful benefit, including, without limitation, any rebate, payoff, influence payment, kickback or other unlawful or improper payment or benefit. The Company and its subsidiaries have instituted, and maintain and enforce, policies and procedures designed to promote and ensure compliance with all applicable anti-bribery and anti-corruption laws.

(xxv) The operations of the Company and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements, including those of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the applicable money laundering statutes of all jurisdictions where the Company or any of its subsidiaries conducts business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines issued, administered or enforced by any governmental or regulatory agency (collectively, the “Anti-Money Laundering Laws”) and no action, suit or proceeding by or before any court or governmental or regulatory agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

For the past five years, the Company and its subsidiaries have not knowingly engaged in and are not now knowingly engaged in any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

(xxvii) The Company and each of its subsidiaries have filed all federal, state, local and foreign tax returns required to be filed through the date of this Agreement or

have requested extensions thereof (except where the failure to file would not, individually or in the aggregate, have a material adverse effect) and have paid all taxes required to be paid thereon (except for cases in which the failure to file or pay would not, individually or in the aggregate, have a Material Adverse Effect, or, except as currently being contested in good faith and for which reserves required by generally accepted accounting principles as applied in the United States have been created in the financial statements of the Company), and no tax deficiency has been determined adversely to the Company or any of its subsidiaries which has, individually or in the aggregate, had (nor does the Company nor any of its subsidiaries have any notice or knowledge of any tax deficiency which could reasonably be expected to be determined adversely to the Company or its subsidiaries and which could reasonably be expected to, individually or in the aggregate, have) a Material Adverse Effect.

(xxviii) Except as disclosed in the General Disclosure Package and the Prospectus or except as would not reasonably be expected to result in a Material Adverse Effect (a) the Company is not aware of any security breach or incident, unauthorized access or disclosure of the Company's or its subsidiaries' information technology and computer systems, networks, hardware, software, data or databases (including the data and information of their respective customers, employees, suppliers, vendors and any third party data maintained, processed or stored by the Company and its subsidiaries in such databases) (collectively, "IT Systems and Data"); (b) neither the Company nor its subsidiaries have been notified of a security breach or incident, unauthorized access or disclosure or other compromise of any data processed or stored by third parties on behalf of the Company and its subsidiaries; and (c) the Company and its subsidiaries are materially in compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Data and to the protection of such IT Systems and Data from unauthorized use, access, misappropriation or modification. The Company has a security program that addresses the management of security and the security controls employed by the Company which includes: (a) documented policies that the Company internally publishes and communicates to appropriate personnel; and (b) policies and procedures that address and implement measures for (i) information classification and handling; (ii) physical security; and (iii) network and application security. The Company has an information security incident management program that addresses management of information security incidents.

(xxix) The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement fairly presents the information called for in all material respects and has been prepared in accordance with the Commission's rules and guidelines applicable thereto.

(b) Any certificate signed by any officer of the Company and delivered to you or to counsel for the Underwriters in connection with an offering of the Notes shall be deemed a representation and warranty by the Company to each Underwriter participating in such offering as to the matters covered thereby on the date of such certificate unless subsequently amended or supplemented subsequent thereto. None of the foregoing applies to statements in or omissions

from any of the aforementioned documents based upon written information furnished to the Company by any Underwriter specifically for use therein.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties set forth herein, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company the respective principal amount of Notes set forth opposite the name of such Underwriter in Schedule I hereto at a price equal to 98.818% of the principal amount thereof, plus accrued interest, if any, from February 10, 2020, if closing occurs thereafter.

3. Delivery and Payment. (a) Payment of the purchase price for any Notes to be purchased by the Underwriters shall be made by wire transfer to such bank account in the United States as the Company may designate to you. The closing of the offering of the Notes shall occur at the offices of Vinson & Elkins L.L.P., 2001 Ross Avenue, Suite 3900, Dallas, Texas 75201, or at such other place as shall be agreed upon by you and the Company, at 9:00 a.m., New York time, on the third business day (unless postponed in accordance with the provisions of Section 10) following the date hereof or at such other date, time or location as otherwise shall be agreed upon by you and the Company (such time being referred to as the “Closing Time” and such date being referred to as the “Closing Date”). Unless otherwise specified, delivery of the Notes shall be made to The Depository Trust Company for your account against payment by you to the Company of the purchase price thereof by wire transfer of Federal funds or other immediately available funds. The Notes shall be registered in the form of a single global certificate in the name of Cede & Co. or in such other names, and in such denominations, as you may request in writing at least two business days prior to the Closing Date. The Company agrees to have a form of the global certificate representing the Notes available for inspection by you electronically, not later than 5:00 p.m., New York time, on the business day prior to the Closing Date.

(b) It is understood that each Underwriter has authorized you, on its behalf and for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Notes that it has agreed to purchase. You, individually and not as a representative, may (but shall not be obligated to) make payment of the purchase price for the Notes to be purchased by any Underwriter whose check or checks shall not have been received by the Closing Time.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Notes for sale to the public as set forth in the Prospectus.

5. Agreements. The Company covenants with each Underwriter that:

(a) Immediately following the execution of this Agreement and subject to paragraph (c) below, the Company will cause the Prospectus containing the information omitted in reliance upon Rule 430B, and any supplement thereto, to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed (without reliance on Rule 424(b)(8)), and will furnish to the Underwriters named therein as many copies of the Prospectus as you shall reasonably request.

(b) The Company will notify you immediately (i) of the effectiveness of any amendment to the Registration Statement, (ii) of the transmittal to the Commission for filing of any supplement to the Prospectus or any document to be filed pursuant to the 1934 Act that will be incorporated by reference in the Prospectus, (iii) of the receipt of any comments from the Commission with respect to the Registration Statement, the Prospectus or the Prospectus Supplement, (iv) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or any document incorporated by reference therein or otherwise deemed to be a part thereof or for additional information, (v) of any order preventing or suspending the use of any preliminary prospectus, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement, (vi) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Notes, and (vii) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Notes for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof as soon as possible. The Company will file the pricing term sheet attached hereto as Schedule II (the “Final Term Sheet”) pursuant to Rule 433(d) under the 1933 Act within the time required by such Rule and will file promptly all other material required to be filed by the Company with the Commission pursuant to Rule 433(d) under the 1933 Act.

(c) For so long as a Prospectus is required to be delivered in connection with the Notes (including in circumstances where such requirement may be satisfied pursuant to Rule 172), the Company will give you notice of its intention to file or prepare any amendment to the Registration Statement or any amendment or supplement to the Prospectus, whether by the filing of documents pursuant to the 1934 Act, the 1933 Act, or otherwise, and will furnish you with copies of any such amendment or supplement or other documents proposed to be filed or prepared a reasonable time in advance of such proposed filing or preparation, as the case may be.

(d) The Company will deliver to you as many signed and conformed copies of the Registration Statement (as originally filed) and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated by reference in the Prospectus) as you may reasonably request. The Company will furnish to you as many copies of the Prospectus (as amended or supplemented) as you shall reasonably request, so long as you are required to deliver a Prospectus in connection with sales or solicitations of offers to purchase the Notes.

(e) If, at any time prior to the filing of the Prospectus pursuant to Rule 424(b), any event occurs as a result of which the General Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in light of the circumstances under which they were made at such time not misleading, the Company will (i) notify promptly the Representatives so that any use of the General Disclosure Package may cease until it is amended or supplemented; (ii) subject to paragraph (c) above, amend or supplement the General Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(f) If at any time when the Prospectus is required by the 1933 Act to be delivered in connection with sales of the Notes (including in circumstances where such requirement may be satisfied pursuant to Rule 172) any event shall occur or condition exist as a result of which it is necessary to further amend or supplement the Prospectus in order that the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary at any such time to amend or supplement the Registration Statement or the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company will promptly prepare and, subject to paragraph (c) above, file with the Commission such amendment or supplement, whether by filing documents pursuant to the 1934 Act, the 1933 Act, or otherwise, as may be necessary to correct such untrue statement or omission or to make the Registration Statement and Prospectus comply with such requirements. If at any time when the Prospectus is required by the 1933 Act to be delivered in connection with sales of the Notes (including in circumstances where such requirement may be satisfied pursuant to Rule 172) there occurred or occurs an event or development as a result of which an Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement relating to the Notes or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify you and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(g) With respect to the sale of the Notes, the Company will make generally available to its security holders earning statements (in form complying with the provisions of Rule 158 under the 1933 Act), which will satisfy the requirements of Section 11(a) of the 1933 Act.

(h) The Company will endeavor, in cooperation with you, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions as the Underwriters may designate, and will maintain such qualifications in effect for so long as may be required for the distribution of the Notes; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or to subject itself to taxation as doing business in any jurisdiction in which it is not otherwise required to be so qualified or subject itself to ongoing securities or corporate law reporting requirements in the jurisdiction. The Company will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified as provided above.

(i) Between the date of this Agreement and the Closing Date, the Company shall not, without your prior written consent, offer, sell, or enter into any agreement to sell (as public debt securities registered under the 1933 Act (other than the Notes) or as debt securities which may be resold in a transaction exempt from the registration requirements of the 1933 Act in reliance on Rule 144A thereunder and which are marketed through the use of a disclosure document containing substantially the same information as a prospectus for similar debt securities registered under the 1933 Act), any debt securities similar to the Notes, equipment

notes, pass through certificates, equipment trust certificates or equipment purchase certificates secured by aircraft owned or leased by the Company (or rights relating thereto).

(j) The Company represents and agrees that, unless it obtains the prior written consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior written consent of the Company and the Representatives, it has not made and will not make any offer relating to the Notes that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission or retained by the Company under Rule 433, other than a free writing prospectus containing the information contained in the Final Term Sheet; provided, however, that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Issuer General Use Free Writing Prospectus. The Company represents that it has treated or agrees that it will treat each Issuer General Use Free Writing Prospectus as an Issuer Free Writing Prospectus, and has complied and will comply with the requirements of Rule 433 applicable to any Issuer General Use Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

6. Conditions to the Obligations of Underwriters. The several obligations of the Underwriters to purchase the Notes pursuant to this Agreement will be subject at all times to the accuracy of the representations and warranties on the part of the Company herein as of the date hereof, as of the date of the effectiveness of any amendment to the Registration Statement filed after the date hereof and prior to the Closing Date (including the filing of any document incorporated therein by reference), as of the Applicable Time and as of the Closing Date, to the accuracy of the statements of the Company’s officers made in any certificate furnished pursuant to the provisions hereof, to the performance and observance by the Company of all covenants and agreements contained herein, on its part to be performed and observed and to the following additional conditions precedent:

(a) At the Closing Time, (i) the Prospectus, and any supplement thereto, shall have been filed within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)); and (ii) no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters.

(b) At the Closing Time, you shall have received the following opinions:

(i) the opinion of the Executive Vice President, Chief Legal and Regulatory Officer of the Company, dated the Closing Date, in form and substance reasonably satisfactory to you and substantially to the effect set forth in Exhibit A hereto;

(ii) the opinion of Vinson & Elkins L.L.P., counsel to the Company, dated the Closing Date, in form and substance reasonably satisfactory to you and substantially to the effect set forth in Exhibit B hereto; and

(iii) the opinion of Sidley Austin LLP, counsel to the Underwriters, with respect to such matters as you may reasonably request.

(c) Subsequent to the execution and delivery of this Agreement, there shall not have occurred any Material Adverse Change that, in your judgment, is material and adverse and that makes it, in your judgment, impracticable or inadvisable to proceed with the completion of the public offering of the Notes on the terms and in the manner contemplated by the Prospectus.

(d) You shall have received a certificate of the Chairman of the Board and Chief Executive Officer or the Executive Vice President and Chief Financial Officer of the Company, on the one hand, and the Treasurer, the Assistant Treasurer, the Secretary or an Assistant Secretary of the Company, on the other hand, dated as of the Closing Date to the effect that:

(i) the representations and warranties of the Company in this Agreement are true and correct in all material respects at and as of the Closing Time with the same effect as if made at the Closing Time and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Time;

(ii) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, there has been no Material Adverse Change.

(e) At the time of execution of this Agreement, the Underwriters shall have received a letter dated such date, in form and substance satisfactory to the Underwriters, from the Company's independent public accountants, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain other financial or statistical data and certain financial information contained in or incorporated by reference into the Registration Statement, the General Disclosure Package and the Prospectus.

(f) At the Closing Time, the Underwriters shall have received a letter, dated as of Closing Date, from the Company's independent public accountants to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (e) of this Section, except that the specified date referred to shall be a date not more than three business days prior to Closing Time.

(g) Subsequent to the execution and delivery of this Agreement and prior to the Closing Time, (i) there shall not have been any downgrading in the rating accorded any of the Company's securities by any "nationally recognized statistical rating organization," as such term is defined in Section 3(a)(62) of the 1934 Act, or (ii) any public announcement that any such organization has under surveillance or review, in each case for possible change, its ratings of any such securities (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating).

(h) At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of Notes as herein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties, or the fulfillment of any of the conditions, herein contained.

If any of the conditions specified in this Section 6 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to you and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be cancelled by you at any time at or prior to the Closing Date, and such termination shall be without liability of any party to any other party except as provided in Section 7 hereof. Notice of any such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing. Notwithstanding any such termination, the provisions of Sections 8 and 11 shall remain in effect.

7. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including:

(a) the filing of the Registration Statement and all amendments thereto, any preliminary prospectus, any Issuer Free Writing Prospectus, and the Prospectus and any amendments or supplements thereto;

(b) the preparation, printing, issuance and delivery of the Notes;

(c) the reasonable fees and disbursements of the Company's accountants and counsel and of the Trustee and its counsel, and of any issuing and paying agent or transfer agent;

(d) the qualification of the Notes under securities laws in accordance with the provisions of Section 5(h), including filing fees and the reasonable fees and disbursements of counsel to the Underwriters in connection therewith and in connection with the preparation of any Blue Sky Survey;

(e) the printing and delivery to the Underwriters in quantities as hereinabove stated of copies of the Registration Statement and any amendments thereto, and of the Prospectus and any amendments or supplements thereto, and the delivery by the Underwriters of the Prospectus and any amendments or supplements thereto in connection with solicitations or confirmations of sales of the Notes;

(f) the preparation and delivery to the Underwriters of copies of the Operative Agreements;

(g) any fees charged by rating agencies for the rating of the Notes;

(h) the fees and expenses, if any, incurred with respect to any filing with the Financial Industry Regulatory Authority, Inc. ("FINRA") (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such filings); and

(i) the costs and expenses of the Company relating to investor presentations on any “road show” undertaken in connection with the marketing of the offering of the Notes, including, without limitation, expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of any aircraft chartered in connection with the road show.

If this Agreement is terminated by you in accordance with the provisions of Section 6 hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of Sidley Austin LLP, counsel for the Underwriters, or, in any other case, including any termination pursuant to Section 9 or 10 hereof, the Underwriters will pay all of their own expenses, including their fees of counsel, transfer taxes on resale of any of the Notes and any advertising expenses connected with any offers they may make.

8. Indemnification and Contribution; Default of Underwriters.

(a) The Company agrees to indemnify and hold harmless each Underwriter, its affiliates (as such term is defined in Rule 405 under the 1933 Act), its selling agent and each person, if any, who controls such Underwriter within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred by any Underwriter or any such controlling person in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereof) or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or caused by any untrue statement or alleged untrue statement of a material fact included in the Base Prospectus, the Statutory Prospectus, any preliminary prospectus relating to the Notes, any Issuer Free Writing Prospectus, any “issuer information” filed or required to be filed pursuant to Rule 433(d) under the 1933 Act Regulations or the Prospectus (or in any amendment or supplement thereto) or any Company Additional Written Communication, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except in each case insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by the Representatives expressly for inclusion in any such document (“Underwriter Information”). The Company hereby acknowledges that for purposes of this Agreement, the only Underwriter Information furnished shall be the information in the third paragraph under the heading “Underwriting,” the information in the third sentence under the heading “Underwriting—New Issue of Notes” and the information in the third sentence of the first paragraph and the first sentence of the second paragraph under the heading “Underwriting—Price Stabilization and Short Positions,” in each case contained in the Prospectus.

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, each of the officers who signed the Registration Statement and each person, if any, who controls the Company, within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act, to the same extent as the foregoing indemnity from the Company to such Underwriter but only with reference to the Underwriter Information provided by such Underwriter.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to either paragraph (a) or (b) above, such person (the “indemnified party”) shall promptly notify the person against whom such indemnity may be sought (the “indemnifying party”) in writing. The indemnifying party, upon request of the indemnified party, shall, and the indemnifying party may elect to, retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and the indemnifying party shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them, or (iii) the indemnifying party shall have failed to retain counsel as required by the prior sentence to represent the indemnified party within a reasonable amount of time. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. The firm chosen to represent the indemnified parties shall be designated in writing by you in the case of parties indemnified pursuant to paragraph (a) above and by the Company in the case of parties indemnified pursuant to paragraph (b) above. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested in writing an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) To the extent the indemnification provided for in paragraph (a) or (b) of this Section 8 is required to be made but is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities, then the applicable indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of such Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of such Notes shall be deemed to be in the same respective proportions as the proceeds from the offering of such Notes received by the Company (before deducting expenses) less total underwriting discounts and commissions paid to the Underwriters by the Company, and the total underwriting discounts and commissions paid to the Underwriters by the Company, in each case as set forth on the cover of the Prospectus, bear to the aggregate public offering price of such Notes. The relative fault of the Company on the one hand and of the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or information supplied by the Underwriters, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters' respective obligations to contribute pursuant to this Section 8 are several in proportion to the respective principal amount of Notes they have purchased hereunder, and not joint.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Notes underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

9. Default by an Underwriter. If any Underwriter or Underwriters default in their obligations to purchase Notes hereunder and the aggregate principal amount of the Notes

that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total principal amount of the Notes, you may make arrangements satisfactory to the Company for the purchase of such Notes by other persons, including any of the Underwriters, but if no such arrangements are made by the Closing Date, the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Notes that such defaulting Underwriter or Underwriters agreed but failed to purchase. If any Underwriter or Underwriters so default and the aggregate principal amount of the Notes with respect to which such default or defaults occurs exceeds 10% of the total principal amount of the Notes and arrangements satisfactory to you and the Company for purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 7 and 8 hereof. As used in this Agreement, the term "Underwriter" includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

10. Termination. In the event of any such termination of this Agreement, the provisions of Section 7 hereof, the indemnity and contribution agreements set forth in Section 8 hereof, and the provisions of Sections 11 through 15 hereof shall remain in effect.

11. Representations and Indemnities to Survive. The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any termination of this Agreement, any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person and will survive delivery of and payment for the Notes. If for any reason the purchase of the Notes by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 7 and the respective obligations of the Company and the Underwriters pursuant to Section 8 shall remain in effect. If the purchase of the Notes by the Underwriters is not consummated for any reason other than solely because of the occurrence of the termination of this Agreement pursuant to Section 9 or 10, the Company will reimburse the Underwriters for

The issuer expects to deliver the Notes against payment for the Notes on the Settlement Date, which will be the third business day following the date of the pricing of the Notes. Exhibit A

Opinion of Executive Vice President, Chief Legal and Regulatory Officer

1. Southwest has been duly incorporated and is an existing corporation in good standing under the laws of the State of Texas, with corporate power to own, lease, and operate its properties and conduct its business as described in the Prospectus; Southwest is duly qualified to do business as a foreign corporation in good standing in all other jurisdictions in the United States in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified, individually or in the aggregate, would not have a Material Adverse Effect.

2. To my knowledge, there is no action, suit, or proceeding before or by any governmental agency or body or court, domestic or foreign, now pending against Southwest or any of its subsidiaries or any of their respective properties that (i) is required to be disclosed in the Registration Statement and is not so disclosed or (ii) that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or a material adverse effect on the ability of Southwest to perform its obligations under any of the Operative Agreements.

3. Southwest is a “citizen of the United States” within the meaning of Section 40102(a)(15)(C) of Title 49, U.S.C. and is the holder of an “air carrier operating certificate” issued by the Federal Aviation Administration pursuant to Section 44705 of Title 49, U.S.C. for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo.

4. The execution, delivery, and performance by Southwest of the Operative Agreements, and the consummation by Southwest of the transactions contemplated by such documents, will not result in any violation of the provisions of the articles of incorporation, bylaws, certificate of formation, or operative agreement of Southwest or any of its subsidiaries, as applicable, or to my knowledge, any applicable law, administrative regulation, or any order or decree of any court, arbitrator, or governmental agency that is binding upon Southwest or its subsidiaries, or their respective properties, nor does any such action, to my knowledge, constitute a breach of, or default under, or (except as contemplated therein) result in the creation or imposition of any lien, charge, or encumbrance upon any assets of Southwest or any of its subsidiaries pursuant to, any material contract, indenture, mortgage, loan agreement, note, lease, or other instrument to which Southwest or any of its subsidiaries is a party or by which such entity is bound or to which any of the assets of Southwest or its subsidiaries is subject.

5. To my knowledge, except as disclosed in the Registration Statement, the Base Prospectus, and the Prospectus, there is no event of default under any material agreement or instrument under which indebtedness of Southwest is outstanding or by which it is bound or any of its properties is subject.

6. In the course of the preparation of the Registration Statement and the Prospectus, I have participated in conferences with officers and certain representatives of Southwest, members of my legal staff, representatives of the registered public accountants for Southwest, and representatives of the Underwriters, at which the contents of the Registration Statement and the Prospectus and related matters were discussed, and although I have not independently verified, am

not passing upon, and am not assuming any responsibility for, or express any opinion regarding, the accuracy, completeness, or fairness of the statements contained in the Registration Statement and the Prospectus, on the basis of the foregoing, in the course of acting as Executive Vice President, Chief Legal and Regulatory Officer to Southwest in this transaction, no facts have come to my attention that have caused me to believe that: (i) the Registration Statement (other than the exhibits thereto, the financial statements, financial statement schedules, and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading, (ii) the Prospectus (other than the financial statements, financial statement schedules, and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), as of its date contained, or as of the date hereof contains, any untrue statement of a material fact or, as of its date omitted, or as of the date hereof omits, to state a material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading, or (iii) the General Disclosure Package (other than the financial statements, financial statement schedules, and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), as of the Applicable Time, contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Exhibit B

Opinions of Vinson & Elkins LLP

1. The execution and delivery by the Company of the Indenture, the Notes and the Underwriting Agreement have been duly authorized by all necessary corporate action of the Company, and each of the Indenture, the global security representing the Notes and the Underwriting Agreement has been duly executed and delivered by the Company. The Indenture is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms (subject, as to enforcement of legal remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally from time to time in effect, and, as to remedies of specific performance and injunctive and other forms of equitable relief, to equitable defenses or principles and to the discretion of the court before which any proceeding may therefor be brought). When the Notes are authenticated by the Trustee in accordance with the terms of the Indenture and delivered against payment therefor in accordance with the terms of the Underwriting Agreement, the Notes will have been validly issued and delivered by the Company and will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and entitled to the benefits of the Indenture (subject, as to enforcement of legal remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally from time to time in effect, and, as to remedies of specific performance and injunctive and other forms of equitable relief, to equitable defenses or principles and to the discretion of the court before which any proceeding may therefor be brought).

2. The statements in each of the General Disclosure Package and the Prospectus under the captions "Description of Debt Securities," "Description of Notes" and "Certain U.S. Federal Income Tax Considerations," insofar as such statements purport to summarize legal matters or provisions of documents referred to therein, present fair summaries of such legal matters and documents in all material respects.

3. The Indenture is qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act").

4. The issuance and sale of the Notes to the Underwriters pursuant to the Underwriting Agreement, the valid authorization, execution and delivery of the Operative Agreements by the Company and the performance by the Company of its obligations under the Operative Agreements do not require the Company to obtain or effect any consent, approval, authorization, registration or qualification of or with any governmental agency or body of the United States or the State of Texas, except (i) for the registration of the Notes under the 1933 Act and the qualification of the Indenture under the 1939 Act and the rules and regulations thereunder, (ii) periodic and other reporting requirements under the Securities Exchange Act of 1934 (the "1934 Act") and the 1934 Act Regulations or (iii) as may be required under state securities or "blue sky" laws.

5. The Registration Statement has become effective under the 1933 Act and, to our knowledge, (i) no stop order suspending the effectiveness of the Registration Statement has been issued and (ii) no proceedings for that purpose have been instituted or threatened by the Commission.

6. Without independent check or verification of the statements contained therein, the Registration Statement, the Base Prospectus and the Prospectus (other than the financial statements, financial statement schedules and other financial data included therein, or omitted therefrom, as to which we are not expressing an opinion), in each case excluding the documents incorporated or deemed incorporated by reference therein, as of their respective effective or issue dates, appear on their face to have complied as to form in all material respects to the requirements of the 1933 Act.

7. Each document filed by the Company pursuant to the 1934 Act and incorporated or deemed incorporated by reference in the Registration Statement, the Base Prospectus or the Prospectus (other than the exhibits thereto, the financial statements, financial statement schedules and other financial data included therein, or incorporated or deemed incorporated therein by reference, or omitted therefrom, as to which we are not expressing an opinion), when so filed with the Commission, appeared on its face to have complied as to form in all material respects to the requirements of the 1934 Act.

8. The Company is not, and, solely after giving effect to the offer and sale of the Notes and the application of the net proceeds from such sale as described under the caption "Use of Proceeds" in the Prospectus, will not be, required to register as an "investment company," as such term is defined in the Investment Company Act of 1940.

9. In the course of the preparation of the Registration Statement and the Prospectus, we have participated in conferences with officers and certain representatives of the Company, in-house attorneys for the Company, representatives of the registered public accountants for the Company, representatives of the Underwriters and counsel for the Underwriters, at which the contents of the Registration Statement and the Prospectus and related matters were discussed, and although we have not independently verified, are not passing upon, and are not assuming any responsibility for, or express any opinion regarding, the accuracy, completeness or fairness of the statements contained in the Registration Statement and the Prospectus (except as and to the extent set forth in paragraph 2 of our opinion of even date herewith and delivered to the Underwriters pursuant to the Underwriting Agreement), on the basis of the foregoing, in the course of acting as counsel to the Company in this transaction, no facts have come to our attention that have caused us to believe that: (i) the Registration Statement (other than the exhibits thereto, the financial statements, financial statement schedules and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading, (ii) the Prospectus (other than the financial statements, financial statement schedules and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), as of its date contained, or as of the date hereof contains, any untrue statement of a material fact or, as of its date omitted, or as of the date hereof omits, to state a material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading, or (iii) the General Disclosure Package (other than the financial statements, financial statement schedules and other financial data included therein, or incorporated or deemed incorporated by reference therein, or omitted therefrom), as of the Applicable Time, contained any untrue statement of a material fact or omitted to state any material fact necessary in

order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Redemption

The Securities shall be redeemable, at the option of the Company, in whole or in part, at any time, on at least 10 days but not more than 60 days’ prior notice sent to the registered address of each holder of Securities to be so redeemed. If the Securities are redeemed at any time prior to the Par Call Date, the Securities will be redeemed at a redemption price equal to the greater of (i) 100% of the principal amount of the Securities to be so redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on such Securities that would have been made if the Securities matured on the Par Call Date (exclusive of interest accrued to the redemption date) discounted to the redemption date, on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), at the Treasury Rate (as defined herein) plus 20 basis points, plus, in either case, accrued and unpaid interest on the principal amount being redeemed to such redemption date. If the Securities are redeemed on or after the Par Call Date, the Securities will be redeemed at a redemption price equal to 100% of the principal amount of the Securities to be redeemed, plus accrued and unpaid interest thereon to the redemption date. In either case, the redemption is subject to the right of holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or before the date of redemption.

If fewer than all of the Securities are to be redeemed at any time, selection of Securities for redemption will be made by the Trustee in such manner as the trustee deems appropriate and fair (or, in the case of Securities issued in global form, by such other method as the DTC may require); provided, however, that the Securities will be redeemed only in the minimum denominations of \$2,000 and integral multiples thereof of \$1,000.

For purposes of determining the redemption price, the following definitions shall apply:

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Securities to be redeemed, calculated as if the maturity date of the Securities were the Par Call Date (the “Remaining Life”), that would be utilized, at the time of selection and in accordance

with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life.

“Comparable Treasury Price” means, with respect to any redemption date, the average of the Reference Treasury Dealer Quotations for such redemption date.

“Par Call Date” means November 10, 2029.

“Quotation Agent” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of (i) Barclays Capital Inc., Citigroup Global Markets Inc., and their respective successors and (ii) a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”) selected by U.S. Bancorp Investments, Inc.; provided, however, that if either of Barclays Capital Inc., Citigroup Global Markets Inc. or its successor shall cease to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company and the Trustee by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity or interpolated yield (on a day count basis) of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated by the Quotation Agent on the third Business Day preceding such redemption date.

Any such redemption may, at the Company’s discretion, be conditioned upon (i) the occurrence of a Change of Control (as defined below) or (ii) the closing of another transaction, including a sale of securities or other financing, in each case as specified in the notice in reasonable detail. A notice of conditional redemption will be of no effect unless all conditions to the redemption have occurred on or before the redemption date or have been waived by the Company on or before the redemption date. The Company will provide notice of the satisfaction of all conditions as soon as practicable following occurrence of the conditions. The Company will provide notice of any waiver of a condition or failure to meet such conditions no later than the redemption date.

Change of Control

Upon the occurrence of a Change of Control Triggering Event, unless the Company has otherwise exercised its right to redeem the Securities, each holder of such Securities will have the right to require the Company to purchase all or a portion of such holder’s Securities pursuant to the offer described below (the “Change of Control Offer”), at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of

purchase, subject to the rights of holders of Securities on the relevant record date to receive interest due on the relevant Interest Payment Date.

Within 30 days following the date upon which the Change of Control Triggering Event occurred, or at the Company's option, prior to any Change of Control but after the public announcement of the Change of Control, unless the Company has otherwise exercised the Company's right to redeem the Securities, the Company shall deliver a notice to each holder of Securities, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is sent, other than as may be required by law (the "Change of Control Payment Date"). The notice, if sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. Holders of Securities electing to have Securities purchased pursuant to a Change of Control Offer must surrender their Securities, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice, or transfer their Securities to the Paying Agent by book-entry transfer pursuant to the applicable procedures of DTC, before the close of business on the third Business Day prior to the Change of Control Payment Date.

The Company will not be required to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Company and such third party purchases all Securities properly tendered and not withdrawn under its offer.

If holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw the Securities in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company, purchases all of the Securities validly tendered and not withdrawn by such holders, the Company will have the right, upon not less than 20 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities that remain outstanding following such purchase at a redemption price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the right of holders of record on the relevant record date to receive interest on the relevant Interest Payment Date).

The Company will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Securities as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Securities, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Offer provisions of the Securities by virtue of any such conflict.

Except as described above with respect to a Change of Control Triggering Event, the holders of the Securities shall not have any right to require the Company to repurchase or redeem the Securities in the event of a takeover, recapitalization, or similar transaction.

As used herein:

“Below Investment Grade Rating Event” means the rating on the Securities is lowered by each of the Rating Agencies and the Securities are rated below Investment Grade by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended if, and so long as, the rating of the Securities is under publicly announced consideration for a possible downgrade to below Investment Grade by all Rating Agencies that have not lowered the rating on the Securities to below Investment Grade, but in any event not beyond the 60th day following the occurrence of the Change of Control) after the earlier of (1) the occurrence of a Change of Control or (2) public notice of the occurrence of a Change of Control or the Company’s intention to effect a Change of Control; provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Company and the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Change of Control” means the consummation of any transaction (including without limitation, any merger or consolidation) the result of which is that any “person” (as that term is used in Section 13(d)(3) of the Exchange Act), other than the Company or its subsidiaries, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the combined voting power of the Company’s Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged, or changed measured by voting power rather than number of shares, other than any such transaction where:

- (a) the Company’s outstanding Voting Stock is reclassified, consolidated, exchanged, or changed for other Voting Stock of the Company or for Voting Stock of the surviving corporation, and

- (b) the holders of the Company’s Voting Stock immediately before that transaction own, directly or indirectly, not less than a majority of the Company’s Voting Stock or the Voting Stock of the surviving parent corporation immediately after such transaction and in substantially the same proportion as their ownership in the Company before the transaction.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Fitch” means Fitch Ratings, Inc. and its successors.

“Investment Grade” means a rating of BBB- or better by Fitch (or its equivalent under any successor rating category of Fitch); a rating of Baa3 or better by Moody’s (or its equivalent under any successor rating category of Moody’s); and a rating of BBB- or better by S&P (or its equivalent under any successor rating category of S&P).

“Moody’s” means Moody’s Investors Service, Inc., a subsidiary of Moody’s Corporation, and its successors.

“Rating Agency” means (1) each of Fitch, Moody’s, and S&P, and (2) if any of Fitch, Moody’s, or S&P ceases to rate the Securities or fails to make a rating of the Securities publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” as defined in Section 3(a)(62) of the Exchange Act, selected by the Company (as certified by a resolution of the Company’s board of directors) as a replacement agency for Fitch, Moody’s, or S&P, or all of them, as the case may be.

“S&P” means S&P Global Ratings, a division of S&P Global Inc., and its successors.

“Voting Stock” of any specified person as of any date means the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

Supplemental Indentures

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Securities at the time outstanding of all series to be affected (voting as one class), evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the holders of the Securities of each such series; provided, however, that no such supplemental indenture shall (i) extend the stated maturity of any Security, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of any interest thereon, or reduce any amount payable on redemption thereof or impair or affect the right of any holder of Securities to institute suit for payment thereof or right of repayment, if any, at the option of a holder of the Securities, without the consent of the holder of each Security so affected, or (ii) reduce the percentage of aggregate principal amount of Securities of any series or of all series (voting as one class), as the case may be, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all outstanding Securities of each such series so affected.

Denominations

The Securities are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Exchange

This Global Security shall be exchangeable for Securities registered in the names of persons other than the Depositary for such Global Security or its nominee only as provided in this

paragraph. This Global Security shall be so exchangeable if (x) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for this Global Security or if at any time such Depositary ceases to be a clearing agency registered as such under the Exchange Act, and the Company fails to appoint a successor Depositary for this Global Security within 90 days after the Company receives such notice or becomes aware of such event, (y) the Company executes and delivers to the Trustee written instructions that this Global Security shall be so exchangeable, or (z) there shall have occurred and be continuing an Event of Default or an event which, with the giving of notice or lapse of time, or both, would constitute an Event of Default with respect to the Securities. Securities so issued in exchange for this Global Security shall be of the same series and of like tenor, in authorized denominations and in the aggregate having the same principal amount as this Global Security and registered in such names as the Depositary for such Global Security shall direct.

Transfer

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security register or registers of the Company, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security registrar, duly executed by the registered holder hereof or its attorney duly authorized in writing, and thereupon on or more new Securities, and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. At the date of the Indenture, such agency of the Company is located at the office of Wells Fargo Bank, National Association, at 333 S. Grand Ave., Floor 05, Los Angeles, California 90071-1504.

No service charge shall be made for any such exchange or registration of transfer, but the Company or the Securities registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary. All payments made to or upon the order of such registered holder shall, to the extent of the sum or sums paid, effectually satisfy and discharge liability for moneys payable on this Security.

Miscellaneous

The Securities are not subject to any sinking fund.

The Indenture contains provisions for defeasance of the entire indebtedness of the Securities upon compliance by the Company with certain conditions set forth therein.

If an Event of Default with respect to the Securities shall occur and be continuing, the principal of the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

All terms used in this Security that are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of Texas.
